ADVANCE GUARD WON MATCH

Sensational Struggle Before Record Crowd at Harlem, Florizar Losing by Neck.

A GIGANTIC BETTING AFFAIR.

Closing at Newport—Latonia Opens To-Day—The Summaries and Entries.

Chicago, Oct. 17.—The largest crowd of the season at Harlem witnessed the match race between Advance Guard and Florizar, which was won by Advance Guard after one of the most sensational struggles ever seen on a Chicago track. A blanket would have covered the two from flagfall to wire. First one and then the other would show a nose in front, but 50 yards from the wire the Carruthers & Shields Derby horse showed his class and drew away, winning, hard ridden, by a neck. The contest proved a gigantic betting affair. They first opened at even money. Then piles of money rolled in on Advance Guard, causing his odds to be cut to 7 to 10, and Florizar went up to 13 to 10. Jockeys Boland and Devin gave their respective mounts each a grand race, and got out of each all he possessed. The track was lightning fast and the weather like a midsummer day. Summaries:

Gossip of the Turf.

In the report of the Woodbridge Fair races, which appeared here on Oct. 19, the best time in the 2.30 class was given as 2.22, when it should have been 2.33, Mr. William Smith's Minnie S. winning the heat in that time.

C. B. Dugan and Dan Stuart have purchased a plat of ground south of Hot Springs, Ark., for purpose of constructing a mile race course. It is supposed that this will, in a measure, draw Jim Dwyer of Orleans and San Francisco, and much is expected from the enterprise by Hot Springs.

William Hummel, Frank Phillips, Hugh McGuire and Thomas Gorman, bookmakers, were fined $1000 each for conducting bookmaking without a license in St. Louis, this being the maximum punishment. The jury was out about an hour. Judge Clark, who was on the bench, stated that he did not consider the state's case a strong one, and was greatly surprised at the jury's finding. Another case pending against Hummel, Phillips and Gorman was dismissed on demurrer of defendants' attorney.

The officials of the Washington Jockey Club are confident that their fall meeting will be the best ever held at the capital. The stakes have filled remarkably well. If the weather holds out good, the meeting will be continued until Dec. 8. By that time the meeting at New Orleans will be in full swing, and the regulars who intend to spend the winter in the South will have a line on the horses. There will be more horses at New Orleans the coming winter than ever before in the history of the track. Stable room has been engaged for enough horses now racing in the West to make the meeting a success. When to this number are added the Eastern horses which will be campaigned in the South, Secretary Sheridan Clark will have an embarrassment of riches at his command. Furthermore, later in the season, over 100 2-year-olds will make their debut in New Orleans.

TORONTO TEAMS FAIL TO WIN

Argonauts Lost at Kingston, While Varsity and Queen's Made a Tie of It.

LONDON INTERMEDIATE CHAMPIONS.

Brockville's Victorious Sweep—Many Rugby Games Played on Saturday.

Argonaut supporters were surprised on Saturday to receive the news of the oarsmen's defeat at the hands of the Granites of Kingston. This, along with Hamilton's default, gives the Rough Riders a good lead, and the oarsmen must down the Ottawa contingent when they come here next Saturday. Then both teams would be even up, and the championship of 1900 would require another game to settle it, same as last season. In the Quebec Union, Brockville is making a run-away race of it. Many were glad to hear London's victory in the intermediate O.R.F.U. championship. The Forest City has gone thru the season without defeat, and will likely go into the senior series next season, as this is their second intermediate championship. All the results:

Varsity 11, Queen's 11.

The Intercollegiate Rugby Union match on Athletic Field Saturday, between Queen's and Varsity, ended in a tie, each team scoring 11 points. The day was sufficiently warm for lacrosse or cricket, tho otherwise ideal football weather, with scarcely a breeze in the air. There was a crowd of about 2500 present. The Kingston students were early on the defensive, but surprised themselves as much as the spectators on two occasions, when they rallied touch-downs by clever or lucky spurts from their own end of the field. Each side showed better defence in the second half, with the result that the only points were scored by Queen's, two singles making 11 all round at the finish. Varsity scarcely played up to their form of the previous Saturday.

Two teams were never more evenly matched, and the scoring came in turns, first one side, then the other. At the end Queen's evened up the score. It would be hard to say which was the better team, and neither had any decided advantage, altho, if there was any luck, Queen's got it all, as their first score was a lucky try, on a mistake made by one of the Varsity players. During the game, owing to the slippery ground, several men were injured, and had to retire from the field until Weatherhead of Queen's, Boyd and Fleck of Varsity being the sufferers. Britton and McKittrick were given a rest for holding on the wing line. The teams played an entirely different style of game, the visitors playing the running and passing style, while Varsity excelled at kicking, and on Baldwin's long punts gained many yards, their opponents doing the same at their style.

The First Half.

In the first half Varsity had the better of the play, but fell off in the second half because they were three points in the lead, and, instead of trying to score, they played defence, which did not get Queen's steadily gained and tied the score.

The play started with a rush by Varsity, who went right to Queen's end, but Weatherhead, who was well protected by his wings, got the ball punted down the field, Brown did not take the catch, but yelled to Beale, who could not get up in time, and Young followed up and went over for the first score. Weatherhead missed the try. Score 4—0.

After the kick-off there was a great deal of punting between the lines, and Varsity gained on each occasion. Varsity gradually worked to Queen's end, and the Presbyterian wings got off-side, and Varsity were given a free kick. Brown punted high, the wings followed up, and Patterson got over for a try. Baldwin converted the try, and Varsity were ahead, score 6—4, when then Queen's turn, and from a scrimmage near Queen's line, Clark passed out to Weatherhead, who got in the play of the day, running for over 80 yards, and going over for a touch, but he failed at the try, and Queen's again led. Score 8—6, Varsity, by breaking thru the line, got possession of the ball, and Queen's got off-side, and Brown took the free kick. He put the ball into play, then dropped a goal, gaining five points for his side. Varsity had their total of 11 just as half-time was called, while Queen's added a rouge to their score, leaving the score at the interval 11 to 9 in favor of Varsity.

Second Half.

In the second half Varsity again started the rush, but Queen's checked them, and steadily went to the locals' end. Etherington punted over and Beale had to rouge, after making a fumble from one of Weatherhead's long punts. Shortly after this Weatherhead was hurt, and had to retire, Aylesworth going off to even up. The play for some time then was almost even, with the Presbyterians in possession of the ball, and trying hard to break the line. Boyd was hurt thru tackling, and went off, Macdonald evening things up by retiring with him. The ball was close to Varsity end, when the third man, Fleck, got knocked out, and Britton went off with him. This left four minutes to play and Queen's worked hard for their point to tie the score, which was eventually gained by Etherington punting into touch-in-goal. Score 11 all.

A Draw.

There was no time left, and the game ended in a draw, which was not played off, as points count in the union, not games.

Mr. Mason made a fair referee, but the umpire, who may have meant well, needed glasses at times. The teams were:

Varsity (11): Back, Beale; halves, Brown, Aylesworth, Baldwin; quarter, Fleck; scrimmage, Boyd, Douglas, Rutter; wings, McCallum, Harrison, Meredith, McLennan, Hunt, McKittrick, Patterson.

Queen's (11): Back, Simpson; halves, Walker, Clark, Weatherhead; quarter, Richardson; scrimmage, Carr, Harris, Paull, Shirff; wings, Hill, Devitt, Britton, Young, Etherington, McDonald, Williams.

Officials: Referee, A. G. Mason, McGill; umpire, E. McLeod, McGill; goal judges, C. Goldman, G. F. McFarland; touch-line judges, C. Meak, Curly McKay.

Granites 9, Argonauts 7.

Kingston, Oct. 27.—(Special.)—This afternoon, on the grounds of the Kingston A.A., the Argonauts of Toronto met defeat at the hands of the Granites of this city. The final score, 9 to 7, in favor of the local team, indicates fairly the respective scoring abilities of the two teams as they lined up to-day. The score at half-time was 8 to 3 in favor of the Granites, who scored two tries, both of which Hamilton, the Granites' captain, failed to convert. The Argos' three were made up of two rouges and a touch-in-goal.

In the second half the oarsmen secured a touch-down by Darling's run from the Granites' 25-yard line, after an excellent piece of combination play, in which Ripley, Chadwick, Ardagh and Hill also participated. Darling failed to convert, the kick was an easy one. A touch-in-goal shortly before the call of time added another to the local team's score. Time was called with the ball in Argonaut territory.

The attendance was much smaller than expected, less than 1000 being on the grounds. The arrangements for handling the crowd were very crude, and it was with much difficulty the touch line was kept clear. The game was somewhat late in starting. There were many delays on account of injuries to players, chiefly representatives of the local team, however. Owing to these facts, the latter part of the match was played in semi-darkness. No complaint can be made of the officials. The game was of the close and hard-checking variety, with the Granites the offenders in the only cases which called for the interference of the referee. Young was put off for 10 minutes early in the first half for deliberately tripping Hill. An inspection of the following list of players on the Granite team will disclose the fact that their line-up was the strongest of this season. Their object to-day was to win, and they did. They went on the field determined to down their opponents, who, by the way, were equally determined. The Argonauts lost the game thru their inability to retain possession of the ball. To the casual observer, the Granite scrimmage seemed most unfair, the ball being put down sometimes apparently many feet behind the line. The teams and officers were as follows:

Argonauts (7)—Ardagh, back; Darling, Gleason, Hardisty, halves; Morrison, quarter; Russell, Wright, Boyd, scrimmage; Hill, Love, Haverson, Ansley, Chadwick, Ripley, Crawford, wings.

Granites (9)—McDonald, back; McConville, Hamilton, Elliott, halves; McDowall, quarter; Milo, Moore, Lamb, scrimmage; Tobin, Kinsley, Palmer, Young, Elliott, J. M. Branscombe, Varney, wings.

Referee—R. H. Mullin, Hamilton.

Umpire—R. D. Spratt, Varsity.

Touch judges—O. Heron, Toronto; Dr. McCammon, Kingston.

Goal umpires—C. McLennan and R. H. Harcourt, R.M.C.

Timekeeper—Dr. C. H. Clark, Kingston.

Queen's II. 1, Varsity II. 4.

The first game in the intercollegiate intermediate series was played on the Varsity athletic grounds on Saturday morning by Queen's and Varsity II. teams, the local team winning after a hard fight by 4 to 1. At half time the score was 4 to 0. The game was almost a faultless one, and would have shown some of the senior teams what Rugby was. It was entirely free from roughness and not a single man was either hurt or ruled off. All thru the game the Varsity students had the better of the play and won out on their merits, there being no luck attached to it whatever. Queen's lost the toss and had to play north, while Varsity had the light breezes that blew in their favor. From the start it looked like Varsity, altho Queen's were good losers, and put up a strong argument for the points scored. The way Varsity got the try was on a long run of Henry's, he getting the ball and running down the field until he was about to be tackled, when he passed to Ballard, who went over for a touch. The try was missed and this was Varsity's total.

In the second half the play was more even than the first and the only point scored was a rouge by Queen's shortly before time was called. The teams were:

Varsity II. (4): Back, Laing; halves, Wright, Henry, Madden; quarter, Ballard; scrimmage, Harvey, Burnham, Dixon; wings, Bonnell, Snively, Martin, Thorn, Brice, Hoyles, Wallace.

Queen's II. (1): Back, Strachan; halves, Tait, Nimmo, Crothers; quarter, Parnell; scrimmage, Grant, Malloch, Connell; wings, Kingston, Ellis, McLennan, McGreer, Mahood, Gleason, Malone; spare, Reid.

Referee—A. G. Moser. Umpire—W. J. Morrison.

Bishop Ridley 35, Trinity 0.

The Junior Rugby game played between Bishop Ridley College and Trinity School Port Hope, at Rosedale yesterday, was a runaway race for the Ridley boys, as they defeated Trinity by 35 to 0, the score at half-time being 13 to 0. This is an annual game which for some time has been won by Ridley College.

Torontos 6, St. Mary's 0.

The game between St. Mary's'ec and Torontos for the intermediate championship resulted 6 to 0 in the latter's favor, the game being played at Rosedale.

In the first half the ball was for the most part in Toronto territory. In the latter portion the Torontos kept the ball well down in their opponents' half.

For Torontos Stollery played a superb game in the back division, while St. Mary's scrimmage and wings did much superior work, Fitzgerald excelling and Miley and Dooley doing good work at half.

In the first half the Torontos forced the Saints to rouge twice.

In the second half the Torontos secured a try, which was not converted.

The game was close, in this respect not representing the play.

Toronto Juniors in the Finals.

Hamilton, Oct. 27.—(Special.)—Toronto Juniors won the O.R.F.U. semi-finals from Hamilton Juniors to-day in a hot struggle by 20 to 12. The half-time score was 6 to 2 in the Tigers' favor. The full time score was 12 to 12, and 10-minute halves each way were played with the above result. Toronto Juniors are a fast and gentlemanly lot of youngsters, and they put up a clean game all thru, using their heads better than the Tigers, who were much the heavier.

The Toronto team was: Back, Sale; halves, McIntyre, Grant, Wicks; quarter, Haig; scrimmage, Love, Renie, Love; wings, Findley, Ramsay, Tally, Flaws, Brent, Murray (Capt.).

George Young of the Argonauts was referee, and a Hamilton man umpire.

The Torontos go into the junior finals and play the Limestones on Nov. 10, in Toronto.

The Young Tigers intend to protest the game on the ground that four points were scored during the extra time, the points having been made after the referee blew his whistle on account of a man being apparently injured.

The Young Tigers found much fault with the referee.

Signal Victory for Ridley.

The annual game between Bishop Ridley College and Trinity School, Port Hope, was played at Rosedale on Saturday morning. It was the easiest kind of a victory for Ridley, the score being 35 to 0, and at half-time 14 to 0. On the back division the Ridley boys showed more practice and better head work than Trinity. They played with as many signals as a senior team, and to this they owe their victory.

Special mention must be made of the play of Harcourt, Tanner and Gooderham of Ridley and Langsdow and McPherson of Trinity. The teams:

Ridley (35)—Back, Norton-Taylor; halves, Kennedy, Harcourt, Gooderham; quarter, Trimmer; scrimmage, Everist, Lumbers, Greening; wings, Zimmerman, Tate, Snively, McGiverin, Young, Drysdale, Nelson.

EAGER WINS THE MATCH

The English System of Riding Gains a Pronounced Victory at Hurst Park.

A WATERLOO FOR MR. J. A. DRAKE.

The American Brigade Lose Heavily, It Being Calculated That at Least $2,500,000 Changed Hands.

London, Oct. 27.—The match race between Mr. L. Neumann's English horse Eager, ridden by Mornington Cannon, and Mr. John A. Drake's American horse, Royal Flush, with L. Reiff in the saddle, which was run to-day over the Hurst Turf Club course, was won easily by Eager.

The race was for a stake of $2500, to which had been added by the Hurst Turf Club an historic Ascot Cup, valued at $5000.

Eager won in a canter by three lengths. The betting was 7 to 4 on Eager. Each horse carried 126 pounds and the distance was three-quarters of a mile.

A Test Race.

This race was the outcome of the keen rivalry existing between English and American horsemen during the past season and was looked upon as one of the most interesting turf events of the year in England. The aim of the parties proposing the race was to have a crack English horse, owned by an Englishman, ridden by an English jockey and born and bred in England, to compete with a horse owned by an American, ridden by an American jockey, and trained by Americans, in order, it was said, to demonstrate the superiority of one style over the other.

The Competitors.

An erroneous impression got abroad that, because of the terms of the match, the 7-year-old chestnut horse Royal Flush was American bred. He is English all thru, his sire being Favo, by Favonius (son of Parmesan and Zephyr, by King Tom), out of Adrastia, by St. Albans, out of Nemesis, by Newminster, and his dam, Flush, by Dis count (son of Sterling and Fern, by Fernhill) out of Paragon, by Vulcan, out of Parade, by Rataplan. Eager is a bay horse, 6 years, by Enthusiast (son of Sterling and Cherry Duchess, by the Duke), out of Greeba (daughter of Meicon and Sunrise, by Springfield.

At Goodwood, Royal Flush, with 28 lbs. in his favor, beat Eager for the Stewards' Cup. On Saturday, it will be noticed, they met at even weights, and the change in the weight told. Eager was always accounted a horse of rare merit, especially at a mile. He has to his credit the Royal 2 year-old Plate at Kempton; the Rous Memorial at Ascot twice, the Brighton Cup; the Portland Plate at Doncaster, and many other important engagements.

Alloway, Ronch and Lynch go to the Stars for Hargrove, the hard-hitting outfielder, Infielder Kuhns and Pitcher Altrock.

W. E. Friel of New Haven, in the Connecticut League, has also been signed. He is a big man, left-handed hitter and will be played by pretty much all the field. Mr. Barrow has purchased the release of Pitcher McFall of Cortland, who won 24 of his 31 games last season, and was considered the best twirler in the New York State League. Other deals are also on.

The stockholders are among the best business men in the city, and the charter directorate to be elected at the next meeting will surely furnish the class of ball required by Toronto patrons.

London Intermediate Champs.

London, Oct. 27.—In the roughest game London football enthusiasts have ever witnessed, the Peterboro team, intermediate champions of Ontario for two seasons, were vanquished by the fast London team to-day, and the latter now hold the coveted title. Fully 1200 people witnessed the game, which was fast and rough from start to finish.

London was the first to score, Hobbs securing a try, on a fine kick by Gilmour, Hobs making a brilliant run. Taylor failed to convert. Score 4—0.

Peterboro woke up, and from this to the finish of the half had somewhat the better of the argument, the getting the worst in the mix-ups. They secured a try, after some fine kicking, and later secured a safety-touch, the half-time score being 6 to 4 in the visitors' favor. For London, Hobbs, Peel and Gilmour were the chief factors in scoring, while O'Connor, Williams, Rickey and Crowley carried off the honors for Peterboro. Two or three Peterboro men were laid out for a minute or so in this half, London having somewhat the best of the scrimmages.

In the second half London went in with a rush, and after some scrimmaging in centre Hobbs again got the ball, and by another magnificent run, went over for a try, which Taylor failed to convert by a few inches. Score: London 8, Peterboro 6.

The game now became very exciting and rough, and neither side gained any advantage for 15 or 20 minutes' play. It was a series of scrimmages alternately in London and Peterboro vicinity. A few fine kicks were sandwiched in on both sides, but to no effect. During one of the mix-ups Dr. McWilliams, the clever half-back and captain of the visitors, was badly hurt, and had to be carried off the field, Reid going off for London. Notwithstanding McWilliams' loss, the visitors played pluckily, making some brilliant runs, but were cleverly tackled.

From this to the call of time the play was about the centre, neither gaining advantage. About 10 minutes before the whistle blew, London secured a touch-in-goal. Score 9—6. The ball was again in centre when the whistle blew. Hobbs and Peel again carried off the honors for London, while McWilliams, O'Connor, Rickey and Burnham all played strong for Peterboro. There was little or no wind during the game.

Liederkranz Bowling Club.

Mr. Louis Gans, the popular captain of the A team, was elected captain of the B team by acclamation, and will try to keep the championship within the Liederkranz walls. Mr. Ed. Rau was elected secretary-treasurer. As the B Section is a more sociable club than the A Section, they are going to arrange for a series of entertainments for this winter, and have chosen for Amusement Committee, Mr. Louis Gans, W. C. Conboy, W. Colby, G. Dowson. The club has already a nice membership, including the following: Mr. H. Belz, L. Belz, T. Lang, J. Zweifel, G. Dawson, Louis Gans, Louis Lang, F. Hankammer, W. C.
