BRIGGS' GREAT TWIRLING THIRTEENTH STRAIGHT WIN

Torontos Defeated Baltimore in a Brilliant Contest at Diamond Park.

Toronto defeated Baltimore in one of the best games of the season by 2 runs to 1 in a contest that was characterized by fast fielding and sensational catches. Briggs kept up his fine work, as usual, and gave an exhibition of twirling that made glad the hearts of the fans. His delivery completely non-plussed the visiting batsmen, hence the magnificent victory. Only one other contest took place, when Newark lost to Montreal. Buffalo and Jersey City did not play thru wet grounds. The record to date:

Clubs.	Won.	Lost.	Pct.
Buffalo	67	27	.713
Jersey City	71	30	.703
Newark	61	43	.587
Toronto	57	41	.582
Baltimore	54	44	.551
Montreal	30	70	.300
Rochester	30	72	.294
Providence	29	72	.287

Games to-day: Baltimore at Toronto; Buffalo at Rochester; Newark at Montreal; Jersey City at Providence.

Toronto Won the Contest.

Toronto won the first game of the home series with Baltimore at Diamond Park, when a great concourse of the fair sex welcomed the champions on Ladies' Day. The contest, a brilliant exhibition in spite of poor condition of the grounds, was won by Toronto by narrow margin of a single run. The Baltimore aggregation gave the fans a scare in the last innings, when they finished strong and were especially dangerous. Briggs was on the rubber for Toronto, and pitched a masterly and scientific game, registering as a consequence his thirteenth successive win. He was especially steady and effective at critical times, and his delivery was a complete puzzle to the opposing batsmen. Burchell pitched well, but the visitors hit harder, many of the hard drives of the champions being gathered in by fast fielding on the part of the Baltimore team. The contest was replete thruout with sensational fielding, some of the finest catches ever seen on the Toronto grounds being the order. Miller's fielding of Jones' infield hit was brilliant, while Massey's one-handed catch of Hayden's line drive cut off a probable three-base hit. Kelly made several sensational running catches, especially a one-handed catch of Fuller's magnificent drive in the third. Two fast double-plays, executed with lightning rapidity, were pulled off during the contest. Louis Bruce, as usual, was the star at the bat, with three singles to his credit.

Castro was put out of the game for throwing his mit at Umpire Cauliflower and using vilifying and abusive language, intolerable under any circumstances to the Toronto public, and he should have been promptly ejected from the grounds.

Baltimore never had a chance to score until the ninth, when Briggs let up and issued two passes, which, with a single, netted their only run. Miller nabbed Kelly's fly and saved the day.

Toronto's runs came in the fifth and seventh innings. In the former White died out to short; Bruce singled, going to third on Massey's corking two-bagger, and scored on Fuller's infield grounder.

Bruce's single, a couple of errors and a wild pitch netted the run in the seventh. The official score:

Amateur Baseball.

The Junior Intermsseodation Baseball League was played to a finish when the Dominions of South Parkdale and the W. E. Y. M. C. A. Boys met at Broadview Boys' Institute for the finals Saturday, Aug. 22, when two hard games were played. Ross Thompson, one of the many pitchers of the Boys' department, twirled a great game for the Dominions, giving only four hits and defeating the Boys. Score:

Dominions ..... 1 2 1 1 0 0 0 0 *—5
W. E. Boys ..... 0 0 0 0 0 2 1 0 0—3

Batteries—Thompson and Lynd; Bellingham and Stickells. This being the second game for the Boys to lose, made it a tie with the Dominions for the league leadership, and the tie had to be played off to decide the winners. Dominions put Johnson, the pitcher with the handle on the left side, in the box, but he only lasted one innings, when he went to pieces, and the Boys being quick, soon picked up four runs, when Thompson was returned, but he lagged to a great extent and was hit pretty hard, while Harris, a bit of a boy just in his teens, took the stand for the Boys and did finely till the fifth, when Billinghurst was returned and finished the game in his favor by the following score and winning the championship:

W. E. Boys ..... 4 2 1 1 0 0 1 2 *—11
Dominions ..... 0 1 1 0 3 0 1 1 0—7

Again Drafting Players.

Buffalo, Aug. 25.—The amount to be paid by the American and National Leagues to the minor leagues for drafting material from the latter, and an agreement that will afford the little leagues better protection against indiscriminate drafting by major league clubs, were the issues that developed at to-day's baseball conference. Those who took part in the conference were: President Pulliam of the National League, President Ban Johnson of the American League, President P. T. Powers of the Eastern League and the Association of Minor Leagues, Charles Comiskey of Chicago, Garry Herrmann of Cincinnati, J. H. Farrell of the New York State League, M. H. Sexton of the "Three I." League, M. Killilea of Milwaukee and James Hart of Chicago. Wm. Somers of Cleveland, Ed. Barrow of Detroit and Manager Stallings of Buffalo were also on hand.

The representatives of the minor leagues held a preliminary meeting behind closed doors early in the afternoon. It was stated that a general understanding had been reached in regard to the position they would take in the general conference.

After a brief executive session an adjournment was taken until to-morrow morning. The minor league magnates submitted the draft of an agreement, which will be discussed by the American and National League representatives, and an amended draft of the articles will be acted upon at the meeting to-morrow.

The ground was very slippery after the heavy rain, but notwithstanding this a good game was put up by both sides, the game being much better than the score indicates. In the opening period Casey, Hughes, Dozen showed their heels to the Elora boys, and it looked like Tottenham's game, but after another quarter things were even, and Elora gradually drew away and finished three goals to the good.

Toronto Canoe Club Regatta.

The fall regatta, to be held next Saturday, the 29th inst., promises to be a very successful function. A large number of entries for the various races are expected, so that a good afternoon's sport is assured, while for the evening the dance music, being supplied by Glionna's Orchestra, will, doubtless, attract a large number.

Tickets may be had from the members of the committee.

INTERNATIONAL MATCH PLAYING ON SECOND DAY

Canadian Eleven Beaten in the Annual Contest by United States Cricketers.

The international cricket match came to an end yesterday on Varsity lawn. The weather was dull and dreary, and the same may be said of most of the cricket. The wicket was wet from the rain of the night before, but was never what might be called a bowler's pitch, and that so few runs were made on it is surprising.

The Americans went in at 11.20 a.m. to continue their unfinished innings of the day before, but were not able to put on many against the good bowling and fielding of the Canadians. The total of 110 which they reached left their opponents with 231 runs to get to win, and many thought it no impossible task on the comparatively easy wicket, and against a greasy ball. But, to the disappointment of the crowd, wicket after wicket fell in quick succession, until the whole side was out for a modest 83, leaving the United States eleven victorious by the large margin of 140 runs.

The bright spot in the day's cricket was Baber's 32. From the start he played with decision and confidence. His brilliant hitting past cover roused the spectators to great enthusiasm, and every run was applauded. Baber's effort to save the game was indeed very fine, and he deserves great praise for his pluck and skill shown at a most critical time. McGiverin hit hard and so did Wallace, but neither stayed long enough to accomplish very much. The Americans' fielding was splendid, some of their catches being quite dazzling. The following are the scores:

—United States, Second Innings.—
