Bryan Loses Fight For a Bone Dry Plank in Platform -McAdoo and Cox Are the Leading Predictions At Big Convention.

were accompanied by a desperate stif-fening of resistance against his nomi-

57TH YEAR. NO. 22753

were accompanied by a desperate stiftening of resistance against his nomination.

McAdoo or Cox and McAdoo and Cox
were the leading predictions, coupled
with talk of McAdoo and Meredith. On
the other hand, these opposing forces
pointed out that he had failed to make
the predicted gains on the first two baiiots, and that there had been no tangible
evidence of the McAdoo landslide his
supporters are predicting.

The Palmer people made no particular
claims, although in the one-day balloting they gained ten votes, they lost
more than that from their original delegates and replenished the loss from their

when the world that is fighting for
a government of its own. If there is
to be no more war, then it is only by
peaceable means that the principle of
self-determination can be applied."

When the debate was in progress an
attempt was made to reach an agreement for a recess for dinner as soon
as the platform had been voted on.
The McAdoo people were inclined not
to agree. The soldier relief plank was
briefly debated, and then Mr. Bryan
took the platform to close his argument. He had twenty minutes.

League of Nations.

When he came to the League of Nations, Mr. Bryan told the convention
that no one had made more speeches!

MCADOO LEADS.

hird place.
All three of the leaders made gains differences.

When the platform committee reported with no prohibition plank, and minority reports on the Irish and other issues, the convention developed into a debating society, with William Jennings Bryan as the oratorical centre of things. By a vote the debate was limited to three hours and a half.

Opening the debate, Bryan confined his argument on prohibition largely to contending that any weakening on the existing law was a serious step which existing law was a serious step which opened the door to a breakdown of the

whole prohibition law. Quoting freely from the Bible he captivated his audi-ence with flashes of his old-time When the Bryan demonstration sub-

San Francisco, July 2.—The ground cleared of preliminary ballots the Democratic national convention reassembled the property of the constitution o cratic national convention reassembled today to conclude the work of selecting a presidential nominee.

Predictions of a McAdoo victory on an early ballot filled the air, and they were accompanied by a desperate stif-

tions, Mr. Bryan told the convention that no one had made more speeches than he had for ratification of the treaty without reservations. It had become gates and replenished the loss from their AUDITORIUM, San Francisco, July 2.

The first two ballots taken on presidential candidates tonight by the Democratic national convention were without a nomination. McAdoo led on both ballots, with Palmer second and Cox in third place.

without reservations, It had become apparent, however, that ratification without reservations was impossible.

Praising provisions of the treaty, he declared the path toward world peace had been cleared by the provisions for disarmament, open diplomatic negotiations and investigations of international differences.

third place.
All three of the leaders made gains in the second ballot, McAdoo picking up 23 and making his total 289, Palmer receiving 10 additional, making 264, while Cox gained 25, giving him a total of 159. The Palmer forces, who had opposed an adjournment following the adoption of the platform, were now anxious to discontinue balloting until tomorrow, but the McAdoo people would not consent, and passed the word would not consent, and passed the word tromped to remain in session.

They will never be able to crase history, he continued, "the name of Woodrow Wilson, who gave these great principles to the world. You can't call me the enemy of Woodrow Wilson. Why, it was my peace plan he took to Paris, and I have done all I could do to help him get the ratified. If I could secure its ratification and let him have the credit of it, I'd gladly walk up to the scaffold and die for such a cause.

"But it cannot be done. And I do not carse to go to the judgment seat of God with any blood on my hands. I do not propose to have it said that word one propose to have it said that word one propose to have it said that word on the Irish Republican recognition plank was as follows:

Extraordinary measures are deemed necessary to meet the critical situation caused by the Bolshevik advance in Ukraine. It is proposed that immediate military action be taken to check the Bolsheviki.

U. S. PUBLIC DEBT

Mr. Cochran was given a mighty ovation by the delegates. Then the lrish queston came on.
T. J. Duffy, East Liverpool, Ohlo, said
Total At the Present Time Is \$24,299,321,467.07.

> Washington, D. C., July 3.—The pub-c debt of the United States decreased y more than a billion dollars during he fiscal year of 1919, just ended, and the fiscal year of 1919, just ended, and by more than two billion dollars since last August 31, when the debt was at its peak, according to a quarterly statement issued last night by the United States treasury.
>
> On June 30 the public debt was \$24, 299,321,467.07, a drop of \$1,185,184,692.98 from the June 30, 1919, total of \$25, 484,506,160.05, and a decline of \$2,295, 290,180,944 from the peak figure of \$26, 290, 190, 1919, the peak figure of \$26, 290, 1919 380,180,34 from the peak figure of \$26,-596,701,648.01 on August 31. The decrease for the period from May 31 to June 30, was \$675,641,559.72.

avalanche of applause.

W. J. Bryan led the fight for adoption of his bone-dry plank, but it was buried after a dramatic day of debate by a majority so overwhelming that he did not even ask for roll calls on the four other minority reports which he had prepared. A cider, beer and wine plank, championed in an emotional speech by W. Bourke Cochran also was thrown out by the convention, along with the plank for recognition.
