We have been brought to realize that this is "Some City" that Terento has outgrown its shert trousers and "stays up" after curfew. And we have

decided to be quite up-to-date and "stay up" also. We are going to keep our store open every evening until ten o'clock to accommodate those who are unable to purchase during the daylight hours. That is for the sale of Men's Hats Only.

Besides we are able to offer some rare inducements in select lines of English and American hats which were specially manufactured to

help this evening business along. We have added also a special line of hats manufactured by the greatest of English makers and which we have marked at

Special Stiff or Soft Felt Hats \$2.50

We stand behind this Hat with a guarantee that it is the very latest design and the very best of fur felt quality. Come in and see what we have to offer, even if you do not need a Hat. We want you to compare it with the other kind.

Store open until ten o'clock Every Evening. Ask to see the \$2.50 special.

Dyspepsia is the prevailing malady of civilized life. It is largely due to gross errors in diet, over-eating, too free indul-gence in stimulants and over-taxing the stomach with indigestible food, eating too rapidly without chewing the food suffi-ciently, indulging in hot biscuits, pastry,

pickles, confectionery, etc. Burdock Blood Bitters has an established reputation, extending over thirty-four years, as a positive cure for dyspepsia in all its forms, and from all diseases arising

from it. ++++++ Mrs. Herman
