

YOU CAN EASILY Own This Fine Lemonade or Water Set

This is All You Have to Do.

All you have to do to secure one of these sets is to subscribe for The World for six months and pay the express and duty charges of \$1.40 if called for at The World Office, or \$1.50 if delivered by wagon.

Mail subscribers can get one of these sets by paying their subscription six months in advance, together with the express and duty charges of \$1.50, or \$3.00 in all.

These are not cut glass in the strict sense of the word, but they are so nearly like the real article that it would take an expert to tell the difference. You can see from the illustration that they are of a unique and out-of-the-ordinary pattern. For the summer season they are both beautiful and useful. If you live in Toronto and would like to inspect this set at your home, a postal giving your name and address will bring it.

SUBSCRIPTION AGREEMENT, THE TORONTO WORLD

Date 19

In consideration of receiving one seven-piece Near Cut Glass Lemonade Set, for which I will pay \$1.50 charges to cover the cost of transportation, duty, etc., upon delivery of the Lemonade Set, I hereby agree to subscribe for The Toronto World as follows:
SIX MONTHS DAILY AND SUNDAY AT 10 CENTS PER WEEK.
SIX MONTHS DAILY ONLY AT 6 CENTS PER WEEK.
I agree that should I violate this contract the Lemonade Set is to be returned to The World's carrier of representative on demand.

SOCIETY NOTES

Bloor-street Presbyterian Church was the scene of a pretty but quiet wedding yesterday at 2 o'clock, when Annie Jean, eldest daughter of Mr. and Mrs. John Henderson, was united in marriage to Rev. Henry Albert Berlis of Victoria Harbor.

At the strains of the wedding march, played by Mr. Peter C. Kennedy, the bride entered the church on the arm of her father. The ceremony was performed by Rev. Dr. Wallace, assisted by Rev. Thomas Cowan, uncle of the bride. The bride wore a beautiful ivory gown of French silk voile, with draperies of duchess lace and pearl trimmings, and tulle veil caught up with a Juliet cap of pearls and orange blossoms, and wore the gift of the groom, a handsome gold bar pin with triplet diamond setting. She carried an empire bouquet of lilies of the valley, which fell to the hem of her dress. The bridesmaid, Miss Margaret Henderson, sister of the bride, wore a charming frock of pale pink silk, with trimmings of silk clunk lace and large lingers hat and carried a shower bouquet of sweet peas. Rev. W. A. Cameron was best man. The groom's gift to the bridesmaid was a sunburst of pearls and to the groomsmen a pair of gold cuff-links.

Miss Henderson, who afterwards held a reception at their home, 271 Major-street, was beautifully gowned in black

face over black liberty satin, with a black plumed hat. Mr. and Mrs. Berlis left the bride traveling in a smart costume of navy blue French cloth, with a collar of Carriacmacross lace, one of her wedding presents from Ireland.

The marriage of Miss E. Hazel Laine, daughter of Mr. and Mrs. Geo. Laine, and Mr. A. Gordon Lee of Hamilton, took place quietly last evening at the home of the bride's parents, 45 Yorkville-avenue, the Rev. Dr. J. H. Hazlewood of Central Methodist Church officiating, and Miss Ivy Laine playing the wedding march. The bride was given away by her father and was unattended. She wore her traveling suit of navy blue, with hat to match, and afterwards Mr. and Mrs. Lee left for Montreal and other eastern points. They will take up their residence in Hamilton. The house was a pretty with pink roses and palms in every direction.

Mr. and Mrs. David Wilson announce the engagement of their daughter, Florence Louise, to Leonard C. S. Howard of Edmonton, second son of Mr. A. H. Howard of Toronto. The marriage will take place early in July.

The engagement is announced of Miss Julia B. Moment, daughter of the late Dr. Alfred H. Moment, Raleigh, North Carolina, to Mr. Walter R. Wintner, son of Mr. and Mrs. F. W. Wintner, Toronto. The marriage will take place in New York on the 29th of June.

Mr. and Mrs. C. M. Richardson of 31 West Charles-street, announce the engagement of their daughter, Marlon

Syla, to Mr. Joseph Harding, the marriage to take place at the end of the month.

The engagement is announced of Lila M. Gray, daughter of Mr. and Mrs. E. M. Wilson, 87 Wallace-avenue, to E. Evan Smith of Watson, Sask. The marriage will take place in Minneapolis in July. Miss Gray will be at home afterwards and evenings until June 22.

The engagement is announced of Miss Adelaide Pringle, Toronto, to Dr. M. George Belleville, the wedding to take place early this summer.

The engagement is announced of Mrs. F. Ida Tuny to Mr. J. Edward Evans. The marriage will take place on Tuesday, June 21.

Mr. and Mrs. Alfred Chesher have issued invitations to the marriage of their eldest daughter, May Violet, to Mr. George Edmund Woodbridge, to take place on Thursday, June 20.

An interesting event yesterday was the marriage of Mr. and Mrs. E. B. Jenkins' two daughters, Abbie Lucy and Nina Marie. The first ceremony took place at half-past two o'clock at the family residence in Empress Crescent, when Miss Abbie Lucy was married to Dr. William A. McClure of Toronto, eldest son of Mr. and Mrs. William McClure of Woodbridge. The ceremony was performed by Rev. Mr. Macdonald officiating.

Suffrage Association. The formation of a local branch of the Provincial Legislative Suffrage Association has been accomplished with the officers: Miss Lillian Wisdom, president; Miss Lillian Wisdom, secretary; Miss Lillian Wisdom, treasurer; Miss Lillian Wisdom, secretary; Miss Lillian Wisdom, secretary.

Pennsylvania Democratic Convention. ALLENTOWN, Pa., June 15.—The Democratic state convention here today nominated the following ticket: Governor, Webster Grim, Bucks County; Lieutenant-governor, Samuel B. Price, Lackawanna County; secretary of internal affairs, John I. Blakeslee, Carbon County; state treasurer, Samuel B. Philson, Somerset County.

Dr. R. E. Hawke, 21 Wellesley-street, Toronto makes a specialty of all diseases of the lower bowels. Piles, fistulas, etc., successfully treated without operation. Write for free booklet.

HOT ? ? Dalton's Lemonade

For those hot, sizzling days, nothing so refreshing as Dalton's Concentrated Lemonade. Made from lemons and sugar only. Guaranteed free from Tartaric Acid. Sweetened and ready to serve.

1 bottle makes half a gallon. Try it once and you will never again make lemonade in the ordinary way.

10c. ALL GROCERS AND DRUGGISTS

"AS YOU LIKE IT" NEXT BY THE HASWELL PLAYERS

Ambitious Presentation of Shakespeare Comedy to Be Third Week's Offering at Royal Alexandra.

Next week at the Royal Alexandra Theatre the Percy Haswell Players will present "As You Like It." The production they will give of Shakespeare's delightful pastoral comedy will be the most pretentious offering they have made in Toronto. This statement means something, as those who have witnessed the performances of "The Marriage of Kitty" and "Leah Kleschna" will heartily agree to. Miss Haswell will be seen in the role of Rosalind, a part she has played many times with great success in the larger cities, much to the delight of the audiences.

A great many who take interest in theatricals seem to doubt whether Shakespeare is popular with the masses with the success that the Players seem to anticipate. Rehearsals have been in progress for two weeks and a large corps of scenic artists and stage carpenters have been at work preparing the production, and it is safe to say that every detail regarding scenery and accessories will be well taken care of. A novelty will be the introduction of a flock of real sheep, which will add much to the rural and sylvan atmosphere of the play.

The prices for next week will remain the same: Evenings and Saturday matinee, lower floor (reserved), 50c; both balconies, 25c. For the Wednesday matinee every seat in the theatre will be 25c.

HOLocaust AT FALLS 14 AUSTRIANS PERISH

Shacks Where 150 Foreigners Lived Huddled Together Destroyed in a Midnight Blaze.

NIAGARA FALLS, Ont., June 15.—Twelve Austrians, all workmen on the Canadian Power Development, were burned to death and three other foreigners fatally injured, early this morning in a fire which destroyed some shacks at Fallsview, Ont.

Both Mrs. Janic and child died in hospital after the afternoon from the effects of their burns, making the total number of deaths 14. It is not known positively how the blaze started. The men were trapped in their rooms and suffocated before help could arrive.

It appears the foreigners, known at the power works by checks and numbers, had been celebrating after the big carnival yesterday that opened the Niagara tourist season. They had a keg of beer among them, and it is believed many of them were intoxicated and in such a state of stupor they were unable to escape when the fire broke out. The origin of the flames is still a mystery, but it was at 12:45 that the flames turned out.

When the department arrived at the scene of the tragedy, which is just outside the city limits of Niagara Falls, Ont., and beyond the fire protection system's by-laws, the three shacks in which the foreigners lived were all practically destroyed. The Austrians could not speak English, but the survivors succeeded, by using signals, in indicating that some of their number had not escaped.

The firemen made a search and recovered 12 charred bodies. They also found three persons—a man, a woman and a child—living, but terribly burned. These were removed to the General Hospital, but no hope is held out for their recovery. They lived in a shack apart from the one in which the dozen succumbed.

According to one theory the 12 who were burned died because the stair ways, which were descending in a panic way, it is said, were not closed by the fact that the bodies were all found huddled together in a heap.

The conditions under which the Austrians lived were almost sure to come in for condemnation of an inquest is held. It is said 150 persons lived in two moderate sized buildings, packed in like bees in a honey box. The third shack, however, was vacant.

The buildings were one and a half stories high, and had been standing ever since work was first started in power development at the Falls on the Canadian side.

HAVE YOU A BAD SORE? If so, remember these facts—Zam-Buk is now the most widely used balm in Canada, and for four years ago it was unknown here! Why has it become so popular? Because it heals sores, cures skin diseases, and does what is claimed for it. Why not let it heal your sore?

Remember that Zam-Buk is altogether different to the ordinary ointments. Most of these consist of animal fats. Zam-Buk contains no trace of any animal fat, or any mineral matter. It is absolutely herbal.

Remember that Zam-Buk is at the same time healing, soothing and antiseptic. Kills poison instantly, and all harmful germs. It is suitable alike for recent injuries and diseases, and chronic sores, ulcers, etc. Test how different and superior Zam-Buk really is! All druggists and stores at 50c per box. You are warned against harmful substitutes and imitations.

Peterboro Coroner Dead. PETERBORO, June 15.—(Special.)—Dr. Gray, for many years coroner for the County of Peterboro, died in the Nicholls' Hospital to-night. Yesterday morning about 2 o'clock Dr. Gray fell from the window of his home, 205 Sherbrooke-street, broke several ribs and sustained a concussion of the brain. He never recovered consciousness. He was also C. P. R. doctor at this point.

DRAYTON FOR ENGLAND CONTROLLERS NOW SAY

Recommendation Goes Before the Council Next Monday—Change in Northern Viaduct Plans.

Corporation Counsel Drayton will, in all probability, go to England to oppose before the privy council the C.P.R.'s appeal against the jurisdiction of the Dominion Railway Commission in ordering the Esplanade viaduct.

The board of control was unable on Tuesday to agree definitely as to whether Mr. Drayton or H. H. Dewar, K.C., should be sent, but yesterday Controllers Ward, Foster and Church announced that they were of opinion that Mr. Drayton should be sent. No formal recommendation has, however, been made as yet, but one will be sent on Monday's council meeting as the early date at which the case will open demands prompt action.

Inspection of Tanks. City Architect McCallum will recommend the passing of a bylaw to compel all owners of buildings where water tanks are to be installed to have a qualified engineer make an inspection and furnish a certificate as to their safety once a year. He says that if the city undertakes to have them rigidly inspected would require a large staff of men with a practical knowledge of structural steel.

Change in C. P. R. Plans. That the depression of the C.P.R. tracks at the Avenue-road crossing be five feet six inches, instead of seven feet six inches as contemplated in the plans filed with the city by the railway, is the suggestion made by George A. Mountain, chief engineer of the Dominion Railway Commission.

Mr. Mountain, accompanied by City Engineer Rust and railway officials inspected this crossing and also the one at Yonge-street yesterday to ascertain the effect of the proposed northern viaduct plans of the C.P.R. The party included General Superintendent Osborne of the C.P.R., Manager Flemming of the Street Railway, and officials of the radial companies. Mr. Mountain will to-day inspect the eastern crossings on Woodbine, Greenwood and Ashdale-avenues.

Mayor for a Year. Controller Ward enjoys a unique distinction. He has been Mayor of Toronto for a year without the citizens being aware of the fact. The controller, who is fond of statistical information, has added together all the days during which he has served as mayor, and the proud total up to yesterday was 365. Chunks of glory of assorted sizes have been his portion during the respective consulships of the late E. A. Macdonald, the late O. A. Howland, Thomas Urquhart, Emerson Costworth, Joseph Oliver and the present mayor.

Will Stay Muzzled. Toronto's army of canines must continue to submit to the muzzle until next September at least. Controller Church suggested to the board of control yesterday that the Dominion Government be asked to repeal the law, but the board decided to take no action until the hot months are over.

RAILWAY ARBITRATORS ARE NOT DISCOURAGED

Denial of Report That Early Strike is Possible Outcome of Dispute Over Wage Increase.

"It is still in the air, but we are progressing favorably," said Wallace Nesbitt, K.C., last night, referring to the arbitration proceedings that are going on between the Grand Trunk and Canadian Pacific Railways and the C.P.R. employees of both companies.

Mr. Nesbitt, representing the companies, and J. G. O'Donoghue, representing the employees, while J. E. Atkinson is chairman. They will continue their meetings this morning.

Mr. Nesbitt regretted premature publicity as to the negotiations. "It stirs up bad blood unnecessarily," he said, "and makes it difficult for the arbitrators to do their duty."

It is understood the C.P.R. employees are asking a general increase of 23 per cent. in wages, and the Grand Trunk men about 40 per cent. The difference is due to the fact that the latter now receive lower wages. The men are asking for a standardization of wages, the same as has been granted on 28 roads in the States, among them being the Michigan Central, which operates also in Canada. This C.P.R. have made an offer to their employees, but it is not up to the demand and this may ultimately be accepted, but the Grand Trunk think a 40 per cent. jump is too much.

Two or three times we have been near an agreement," continued Mr. Nesbitt, "but little modifications crop up here and there that set us back."

Mr. Nesbitt intends going to Europe to-morrow, and the settlement must be reached to-day; but if it is not, it will make no difference, he says, as the meetings have been most friendly and he can leave his views with Mr. O'Donoghue and Mr. Atkinson to finish up.

That there has been difficulty in getting in consultation with the railway official was denied by Mr. O'Donoghue. "We are in touch with them all the time," he said. "Yes," he continued, "we are getting toward a settlement. There are only a few slight modifications to be met. The demand of the men has been unchanged so far as wages go."

Representatives of the men from both companies have gone to Montreal to be on hand at headquarters when the decision is announced.

If the finding is acceptable a joint circular will be issued informing the general membership of its contents. If, however, the finding is not satisfactory to the men then they will be on the ground at the headquarters of both companies, from which place they will direct the fight, should the general membership so decide by vote.

Say "Neilson's" Instead of Just "Ice Cream"

When you order ice cream during your outing don't say just "ice cream."

Ask for "Neilson's"—you can get the identical quality that you do in the Neilson's bricks you buy for the home.

You should eat ice cream more often. It's a wholesome and nourishing dish.

It contains butter fat in the most assimilating form. Doctors recommend it for the weakest patient. Athletic trainers advise it for the strongest athlete.

Neilson's Ice Cream

Neilson's ice cream is made of absolutely pure cream and stands the highest government tests. And in Neilson's you are sure of ice cream made in a clean kitchen and sure that the freezers and cans were thoroughly washed and sterilized. Try all the different brands, and you will soon learn how much better is Neilson's.

Watch your druggist's and confectioner's windows for our special bricks—a different one each day.

Over 500 Toronto Druggists and Confectioners Supplied Daily
