

THE DAILY MISERY OF ILL-HEALTH

Three Years of Suffering Quickly Relieved by "FRUIT-A-TIVES"

MR. GASPARD DUBORD

185 Avenue Pius IX, Montreal.

"For three years, I was a terrible sufferer from Dyspepsia and my general health was very bad. I consulted a physician and took his medicine and faithfully carried out his instructions; but I did not improve and finally the doctor told me I could not be cured."

At this time, a friend advised me to try "Fruit-a-tives" and I did so. After taking two boxes of "Fruit-a-tives", I was greatly relieved; and gradually this marvelous fruit medicine made me completely well. My digestion and general health are splendid—all of which I owe to "Fruit-a-tives".

PLEASING DISPLAY BY SOMERS SCHOOL

Physical Training Pupils Give Varied Program at Massey Hall.

Last night at Massey Hall the Somers School of Physical Training gave one of the highly entertaining and varied programs, for which the school is noted, the work of those taking part being finely representative of the high grade of instruction given and of conscientious attention on the part of the pupils.

"Our Regiment" was the opening number, in which a body of girls in light blue uniform executed drills and dances, solo work being done by little May Brown, the mascot of the regiment and the "Triumph of the Regiment" giving Verna Watson opportunity for one of her graceful numbers. Margery Taft gave promise of a good deal of talent in her song, "I've Got My Captain Working for Me." In the next group, "Hungarian Dances," Jeanette Bredner, Madge Smith and Helen Page danced with grace and spirit, the closing number, "List Second Hungarian Rhapsody," danced by Verna Watson, proving one of the features of the evening.

Margery McKinnon made a sweet figure of the "Good Old Days," and sang a number of old-fashioned songs. Kenneth Bredner and Miss Watson gave specimens of modern dances, which were followed by prettily executed eighteenth century figures. A scene, "The Stolen Ship," was filled with colorful pictures and a dramatic story, a second scene, "Cleopatra and Her Court," being even more elaborate. A sized audience enjoyed the program and rewarded the young artists with enthusiastic applause.

C.P.R. MAN KILLED

Frank Kennedy Crushed to Death When Attempting to Jump From Freight Train.

Frank Kennedy, an employee of the C.P.R. roadhouse, was killed at 5 o'clock last night when he fell from a freight train at the North Toronto station and was dragged a distance of 150 feet before the train was brought to a standstill. Kennedy was riding on the train, which did not stop at the station, and he attempted to jump clear of it, but fell between the wheels, his body being badly mangled. The police of No. 5 station were called and removed the body to the morgue, where an autopsy will be held. Kennedy was 21 years of age and lived at 328 Markham street. His mother resides on Nelson street, Kingston.

CHARGES OF VAGRANCY

Hamilton, Feb. 6.—Eliza Sneek, 21 John street north; Laura Bowles, 124 John street south, and May Robertson, 142 Gage avenue, were arrested this evening on charges of vagrancy. The police are the complainants. Given Louis Bennett, 12 Mill street, was arrested this afternoon on a charge of theft.

STORMY WEATHER HARD ON BABY

The stormy, blustery weather which we have during February and March is extremely hard on children. Conditions make it necessary for the mother to keep them in the house. They are often confined to overheated, badly ventilated rooms and catch colds which rack their whole system. To guard against this a box of Baby's Own Tablets should be kept in the house and an occasional dose given the baby to keep his stomach and bowels working regularly. This will help him to break up colds and keep the health of the baby in good condition till the brighter days come along. The tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

ULSTER DELEGATES COMING TUESDAY

Comprehensive Program is Mapped Out for Opponents of Sinn Fein.

Full arrangements were made for the reception and entertainment of the Ulster delegation which is touring the United States and Canada in the endeavor to combat Sinn Fein propaganda, and to make known the real aims and objects of Sinn Fein, at the meeting last night of the citizens' committee appointed to receive and look after the delegates while they are in the city.

The delegation will arrive in Toronto from Minneapolis on Tuesday evening, and will be received by the citizens' committee at the union station. From there they will be taken to the King Edward Hotel, where accommodation has been provided for them, and on Wednesday they will be entertained by the ministers of Toronto at lunch at the Central Y.M.C.A. At 2.30 on Wednesday they will be taken for a drive thru the city, and in the evening a public reception will be held in the city hall. On Thursday they will lunch at the Empire Club, and will have the afternoon free to visit friends in the city.

Mass Meetings.

In the evening mass meetings, at which they will lecture, will be held in Massey Hall, Victoria Hall and Cooke's Church. The meetings are open to the public.

The members of the delegation are: Hon. Wm. Coote, M.P.; Rev. A. Wylie Blue, D.D., and Rev. Wm. Corkey, representing the Presbyterian Church of Ireland; Rev. Louis Crooks, representing the Episcopal Church of Ireland; Rev. Frederick Hart, M.A., Rev. C. Wesley Maguire and Rev. Edward Hazelton, representing the Irish Methodist Church. They will be accompanied by Rev. Dr. I. Irvine of the New York Society for the Promotion of British-American Friendship.

CITY HALL NOTES

The impression seems to exist at the city hall that the recommendation of the Toronto Housing Commission to suspend building operations temporarily, will be adopted.

This recommendation, it is understood, is based on the inability to procure labor at reasonable rates, the high cost of building material, and the prohibitive prices of land. A complete written report will be compiled by the commission and presented to the mayor some time this month.

Deputy Chief Constable Sam Dickson and Assistant Deputy Robert Geddes are to receive an annual increase of \$500, instead of \$300, as was at first erroneously reported. Mayor Church, as chairman of the board of police commissioners, handed out this statement yesterday.

When the city council gather together in solemn convocation next Monday for the usual fortnightly meeting, many motions and several bylaws will either become civic legislation or die an ignominious death.

The troublesome case of appointing a city architect to fill the shoes vacated by the retirement of W. W. Pearce, will come up for the final verdict. Lieut.-Col. W. N. Moorhouse, D.S.O., a reserve soldier, has been elected by the city hall of political lobbying by the contestants.

A by-law restricting speeches in council to five minutes will be passed on, and if carried will be a decided help in tending the city's business more rapidly.

The recommendation of the works committee regarding the widening of the intersection of Bay and Queen streets at the southwest corner, will receive its share of consideration. This report was made last March, and the property mentioned for this improvement is owned by the Dominion Bank.

Also there is a proposal to be brought forward, that a roadway 34 feet in width be laid thru the hall grounds. This roadway is to commence at a point on Broadview avenue opposite Simpson avenue and thence westerly and southerly to Gerrard street, to a point opposite the present hall entrance.

Bracket street signs on Hydro poles underneath the lamps as recommended by the works committee, will be considered.

Permission to convert No. 410 Sherbourne street into an apartment house, and the establishment of a private hospital at 255 Waverley street, will also be sought.

The property committee has recommended that a school be erected on the site of the old school, which is situated on the corner of G. E. Jordan to erect semi-detached houses on the east side of Mount Pleasant street.

Recreation parks and athletic centres, which have been debated upon so much great lengths at committee meetings and board of control sessions, will also receive a hearing.

WILLS AND BEQUESTS.

Lewis Matthey Richards, a barrister, of 18 Sloane Gardens, London, England, left an estate valued at \$274,929, of which \$3,142 is in Ontario in Cook-shut Plow Company shares. The estate is entered for ancillary letters probate in the Toronto surrogate court. The widow, Gertrude Elizabeth Richards, is the sole heir.

Another British will filed in Toronto is that of John Gordon, of Glasgow, who left an estate valued at \$30,058 to his wife and four children. He had \$150 in the Brazilian Traction Light and Power Company.

Application for administration of the estate of their mother, Charlotte Bentley Snell, who died on August 19 last, leaving an estate of \$9,500, has been made by Ivy Robin Bentley, of Port Perry, and Sarah Ethel Bentley. The beneficiaries under this application are the deceased's husband, Thomas James Snell, of Alberta, one son and five daughters. An administration of the same estate is also filed by the Union Trust Company on behalf of the husband.

CHARGED WITH THEFT.

Steve Byer, no home, was arrested last night by Detective Tuft on a warrant charging him with theft of \$138 from Annie Bulevitch, 156 Beverly street.

TORONTO CITY MISSION HELPS NEEDY POOR

The Toronto City Mission board of managers held their business meeting in the Central Y.M.C. Association yesterday afternoon. Dr. Neil presented, Harry L. Stark, treasurer, presented his report, showing the urgent need of funds.

Rev. Robert Hall, superintendent, presented the reports of the four missionaries for the months of December and January. Owing to the severity of the weather and prevalent sickness, these months were very trying, and a large number of needy families were assisted. Three hundred and twenty articles of clothing and bedding were supplied to those in need; \$108.74 was expended in providing Christmas dinners for those unable to provide for themselves; and \$55.89 was expended in supplying food and fuel in urgent cases of need.

During these two months, the missionaries made 2094 visits in poor districts, held 53 services in churches, prisons and hospitals. They distributed 2851 Gospel tracts and booklets, and gave out 32 copies of the Gospels to foreigners in their own tongues.

DESPERATE PASSENGER BOUND BY MOTORMAN

Most people in their time have had a free ride on one of Toronto's street cars. Yesterday morning, at College and Major, a passenger, who (so it was at first thought) had not been observing the provisions of the O.T.A. tried to board the car by breaking the glass in the motorman's window. With the aid of the conductor, the motorman succeeded in tying the would-be passenger's legs and conveying him to Landsdowne barn, where he was placed under arrest.

The would-be passenger was a wild duck.

Motorman J. A. Candy, who was in charge of car No. 1254, had the shock of his life when a large bird, flying low, crashed against the window of his car, shattering the glass, and fell exhausted at his feet. "The car was stopped, the bird secured, and arrested. The company are now considering whom they can make pay for the broken window. Wild duck is out of season, or the company might have the bird tried at the city hall, condemned to death, and sell its body to defray expenses."

NURSING SISTERS INVITED.

All demobilized nursing sisters in the district are cordially invited to a reception to be given by the nursing staff of the Dominion Orthopaedic Hospital, Christie street, at 3.30 p.m. Tuesday, Feb. 26—in the sisters' guard room in honor of Miss Macdonald, R. R. C. matron overseas.

\$40 and \$42 Men's Suits at \$29.50

At this time of ever-increasing prices when far-seeing men are buying suits ahead of their needs at the regular prices, an offer like this should not be missed. These fine suits are made of good wearing tweeds and worsteds, in grey mixtures, brown mixtures, grey checks, brown checks, and other colors. Most of them are made in the smart, conservative semi-fitting models so suitable for business wear, but there are a few of the waist-line models in the smaller sizes. They are well made throughout and well lined. Sizes 36 to 42 are included in the selection, and a particularly good variety in sizes 40 and 42. They are only fifty of these suits, so be on hand early if you possibly can. Special today.
