Hailfax, N.S., Jan. 27.—A St. John's Nid., despatch says the Furnes liner London City, 14 days out from Liverpool for St. John's, has arrived after a tempestuous passage, with her cargo shifted and engines in ured. She will require repairs. Her captain reports a tremendous area of heavy Arctic ice floes 120 miles off St. John's with three large bergs — a remarkable fact so early in the season and inviving great menace to ocean steamers because the floating ice is directly in the shipping routes.
