CONSUMERS' COAL

CHOCOLATTA

in the Trenches

It isn't necessary to speak of the advantages of an instant drink like Chocolatta. One officer wrote home: "All the chaps who sampled my tin said it was top-hole," and "I had where they could buy it."

Include a tin or two in your next parcel to the front and make somebody happy.

DUTCH LAUGH AT GERMAN "VICTORIES"

"A cinema film, supposed to show the Germans fighting on the Somme, is now being shown here, and is causing great amusement, owing to the wholesale manner in which the Germans 'give themselves away'." says an Amsterdam despatch to the London Chronicle.

In this fake—for fake it certainly is—one section depicts the Germans making a heroic charge against the unseen British, but, curiously enough, those charging have forgotten to fix bayonets.

Another section shows the Germans firing from trenches with rifles, but, unfortunately for the realistic effect, those soldiers have forgotten to remove the

metal caps used as sight protectors from the muzzles of the rifles. The effect is, of course, ludicrous.

Amid what appears to be a tornado of shell fire, exploding mines, and other dangers, I saw a single German soldier ever appear to be hit, let alone killed.

Yet another section of the film shows Germans alleged to be under bombardment by the British guns. This section clearly shows trees in full summer foliage and is supposed to give a picture of actual occurrences at a certain place last summer. Unhappily, it is well known that last summer the British were much too far from the spot to be able to bombard it.

If the film is attracting crowds, who know, you go less to be impressed by German might, but more for the sake of a hearty laugh at the almost childish attempt to deceive on the part of the Germans.

Electors Honor Premier Foster

Smoker and Banquet Held at Andover—Speakers of Matters Requiring Government Attention.

Andover, April 23.—Premier W. E. Foster, who was elected by acclamation today to represent Victoria county, was given a flattering reception here this afternoon and evening. His speech this afternoon was postponed until 5 o'clock on account of the funeral of Senator Baird.

In his address, the premier referred to many important questions of the day and spoke of the prohibitory act, which he declared would be strictly enforced, although the present opposition had declared that the new government would not enforce the act. The premier called on the people for their support in enforcing prohibition and mentioned that the government had appointed as chief inspector the man chosen by the temperance party.

Premier Foster explained the necessity of co-operation in making the roads better and spoke of the difficulty confronting a government taking office at this season in making immediate improvements on the Valley Railway.

Referring to the Valley Railway, Premier Foster dwelt on the necessity for the completion of the road from

THE CAUSE OF SICKNESS

Apart from accident or illness due to infection almost all ill-health arises from one of two reasons. The great mistake that people make is in not realizing that both of these have the same cause at the root of them, namely, poor and impure blood. Either bloodlessness or some trouble of the nerves will be found to be the reason for almost every ailment. If you are pale, suffer from headaches or breathlessness, with palpitation of the heart, poor appetite and weak digestion, the cause is almost always bloodlessness. If you have nervous headaches, neuralgia, sciatica and other nerve pains, the cause is rundown, exhausted nerves. But rundown nerves are also a result of poor blood, so that the two chief causes of illness are one and the same.

This accounts for the great number of people, once in indifferent health, pale, nervous and dyspeptic, who have been made well and hearty by Dr. Williams' Pink Pills; for no medicine ever discovered is so valuable for increasing the supply of rich, red blood and giving strength to worn out nerves. Men and women alike greatly benefit from a course of the splendid blood builder and nerve tonic.

If your dealer does not keep these pills you can get them by mail at 80 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

IRRITATED & SORE?

There is something in Zam-Buk that makes this famous balm victorious over obstinate skin diseases.

Mr. John L. Frenette, of Nigadoo, N.B., writes: "A rash appeared on my head and quickly spread until my head was entirely covered with sores. I was a shocking sight, and was suffering a great deal with the burning and irritation. I consulted a doctor, who told me I had eczema, and although he prescribed several medicines which I used, I did not seem to get any better."

"Then I tried Zam-Buk, which I had heard highly recommended, and was soon delighted with the improvement in the sores. The burning and irritation got less by degrees, and then disappeared. The inflammation was drawn out, and before long the sores were entirely healed."

Zam-Buk is the world's great herb skin cure, and is useful for ulcers, old sores, bad legs, boils, blood-poisoning, ringworm, and piles, as well as cuts, burns, scalds, and all skin troubles. All druggists or Zam-Buk Co., Toronto; 50c. box, 8 for \$1.25.

ZAM-BUK

A TIMELY FEATURE AT STAR THEATRE

Mary Nash is Starred in "Arms and the Woman"

The feature production at the Star Theatre last night was the Pathe Gold Rooster play, "Arms and the Woman," starring Mary Nash.

The very name, "Arms and the Woman," has an attractive ring and the picture will hold the interest of everyone owing to the strength and humanness of the story and the characters which take part in it. It is a vivid tale on a timely topic, plunging the hearts and homes of the lengthening shadows of war clouds with a vibrant love note sustained throughout.

Mary Nash, whose career of achievement on the legitimate stage has made her one of the best known of young American actresses, appears for the first time on the screen in this production. In the role of Rozika, a beautiful Hungarian girl, who travels to America, gifted with a golden voice, she has an excellent opportunity for her talent.

In company with her brother, Carl, she arrives. Her street singing attracts David Trevor, the president of a great munitions corporation, who has her voice cultivated, and eventually marries her. At the height of her happiness, Rozika's country is plunged into war. She realizes for the first time the nature of her husband's business and learns that her brother has been sent by an anarchistic brotherhood to blow up his factory.

Her patriotic heart forces the destination in store for her country and she is forced to decide whether she will sacrifice the man she loves, the boy who

THE LATE DR. KING

Dr. W. G. King, who died at his home in Buckleuch on Saturday afternoon was about sixty-eight years of age. He leaves, besides his wife, three sons and three daughters. The sons are Louis, a Presbyterian minister, who lives at Pointe a la Pique, Quebec; George, of the car service of the I. C. R., in Moncton; and Wallace, in active service in France. The daughters are Flora, wife of Mr. Woodcock, of New York; Marion, wife of E. B. Robb, now of Moncton, and Jean at home.

DEPUTY MINISTER OF AGRICULTURE

Frederickton, April 23.—W. R. Reek, who has been appointed deputy minister of agriculture, is an Ontario man and an expert in his subject of wide experience. He comes to this province highly recommended by leading agriculturists all over the Dominion. Mr. Reek was sent to Prince Edward Island to reorganize the department in that province on the recommendation of the late C. C. James, of Ottawa, and he remained there two years. He is an authority on agriculture, and the province, it is felt, is fortunate in securing his services.
