## There's Only One Reason

Why a man goes to the city proper to buy his furnishings and that's because he doesn't know that he can get the same goods that the best stores in the city handle right at this store at a saving of 10 to 15 per cent. on city prices, and save his time and car fare as well. When he investigates our claim "to match the city's best styles and beat the city's best prices," some store in the city loses a customer—and they're loosing more every season just for that reason. If you appreciate furnishings of character, you want to see our handsome new line of

If people knew the frightful risk they run of infection from unclean dentistry they would better realize the awful chances they take and what a mighty important factor cleanliness is.

No one has ever disputed the fact that there are no cleaner offices in Canada than ours. This is worthy of consideration.

# Our Mid-Summer Sale is a Success Beyond Precedent! Are You Benefiting?

Sale started last Thursday-since when we have done a record-breaking clothing business! Why was it that in spite of the loudly advertised bargains (?) of others, in spite of the fact that elsewhere little or no clothing business was being done, we were crowded with customers? The reason is because we have proved beyond the possibility of question that men can get from us the sort of clothing they want at onequarter to one-third less than they can buy it anywhere else, as manufacturers we save them the middleman's profit, and when it comes to scope of choice no other store anywhere can show such a variety of styles, fabrics, and colors as can be found here. All these advantages are splendidly emphasized in this Mid-Summer Sale.

There is no good reason for such radical reductions as we are now making other than this—it is the Oak Hall way to do unusual things. This store's big stock at such low prices as now prevail will do precisely what we mean every Oak Hall sale shall do -attract by the score men who are glad to to take advantage of a sale where there is no exaggeration, but where every garment is squarely worth the original price.

You cannot afford to miss this extraordinary event. It is the greatest Mid-Summer Sale of Men's and Boys' Clothing and Furnishings ever conducted by any store in these parts.

Sale Continues All Week-Ending Saturday
