With fitting and most impressive services the week's celebration of the 75th anniversary of the dedication of St. James' church was begun at that church yesterday. Rev. H. A. Cody, rector, being the preacher in the morning and Rev. C. Gordon Lawrence, rector of Trinity, the preacher in the evening. There was appropriate music by the choir. Rev. G. E. Trueman, whose mother is a member of the congregation, assisted Mr. Cody at the morning service. Mr. Cody took for his text in the morning "Others labored and ye are entered into their labors." Mr. Cody recalled the rectors of the church, Rev. John Armstrong, who was succeeded by his son, Rev. William Armstrong, who ministered in the church for many years and was succeeded by Rev. G. Osborne (now Canon) Troop, who was followed by Rev. C. J. James, Rev. A. D. (now Bishop) Dewdney, Rev. J. E. Hand and now himself. Mr. Cody spoke also of the numerous faithful men and women of the congregation. In the great fire, which had destroyed the church, the records were lost and only in recent years had an attempt been made to record church events. Bishop Dewdney had started the parish magazine, still published monthly.

In the evening Rev. C. Gordon Lawrence delivered an eloquent address. For the continuance of the anniversary observance there will be a play presented this evening and tomorrow night by the Y. P. A. of the church. On Wednesday night at the church, the secretary of the M. S. C. C., will be the speaker. On Thursday there will be a congregational reunion and on Friday a confirmation service will be held. For the thanksgiving services on next Sunday Rev. Canon Troop, of the former rector, will be the preacher.

AT ST. LUKE'S

The children's day observance in St. Luke's church yesterday were most impressive. The music was led by a children's choir at both morning and evening services. In the morning Rev. John Unsworth, of St. George's church, was the special preacher, and he addressed the children to the theme "Watch and Pray." Carrying out a custom inaugurated by the late Samuel Kilpatrick, Bibles were presented to the 16 girls and 18 boys who graduated from the primary department to the main school. The Bibles were purchased from an endowment fund provided by Mr. Kilpatrick in his will. The presentation was made by the superintendent of the Sunday school, H. A. Finch. Special numbers sung by the children's choir were "Sunshine Bright and Fair," "On This Beautiful Children's Day" and "Gathering Blossoms in Childhood's Hour." During the taking of the offering there was an anthem sung by a children's quartette composed of Doris Needham, Dorothy Needham, Bertha Williams and Phyllis Lee.

In the evening the children who brought their parents to church received a badge. The Sunday school superintendent, Mr. Finch, assisted in the service, and the sermon was delivered by Rev. Canon R. P. McKim, the rector. A very beautiful tableau was arranged as an illustration of the rector's sermon and a mother was shown bending over a cradle while two angels stood beside her. Mrs. E. Fitzgerald represented the mother and Miss Bertha Williams and Miss Mary Hart, the angels. The children's choir sang "Suffer Little Children." Other special music at the evening service included a vocal solo by Miss Sylvia Philbrick and a sextette selection by the choir boys, Charles Hamilton, Everett Higgins, William Carlin, Charles Miller, William McIntyre and Willard Mayes. The children's choir had been trained by Mrs. Kenneth Storey, assisted by Miss Roberta Craft, Miss Muriel Thompson, Miss Margaret Higgins and Miss Mildred Adams.

TRAFALGAR DAY

In answer to an appeal from R. E. Armstrong, president of the New Brunswick Division of the Navy League of Canada, to all clergymen in the province to make some special mention of Trafalgar Day, Oct. 21, in St. Matthew's Presbyterian church yesterday, Rev. Dr. J. A. Morrison spoke during the course of his sermon on the great naval feat.

In his sermon Dr. Morrison said: "The story of Napoleon's supposed invasion of England is a twice told tale, so also in the story of Cadiz and the French Fleet of Villeneuve to the West Indies and return. Finally Nelson blockaded Villeneuve at Cadiz, and when Nelson's fleet was weakened by the despatch of six ships to Gibraltar."

Movie Stars Married

Milton Sills and Doris Kenyon, two popular moving picture stars, who were wed at Miss Kenyon's summer cottage in Ausable Falls, N. Y., last Wednesday. The bride is a Windsor, N. S., girl and visits home regularly. Mr. Sills is from the middle west.

tar for water Villeneuve seized the opportunity to leave his shelter on Oct. 19, 1805. On Oct. 21, 1805, the now famous battle took place off Trafalgar. It was before beginning this battle that Nelson gave his now famous signal, "England expects that every man will do his duty." The victory was complete. Nelson himself was mortally wounded and died on the afternoon of Oct. 21, 1805, with the words, "Thank God I have done my duty."

"By his final great victory he had destroyed the combined fleets of France and Spain and with it the Napoleonic hope of creating a naval power vanished forever. Nelson thus contributed immensely to the final destruction of Napoleon's ambitions for without the control of the sea England would have been unable to wage her long contest and the spirit of Nelson lives today throughout the Empire."

IN TRINITY

Commemorating Lord Nelson's victory at Trafalgar, special services were delivered in many of the city churches yesterday. In all the Anglican churches and many others Sunday was observed as "Children's Day." For the combined observance in Trinity church yesterday morning the children of the Sunday school attended the church service in a body, and were seated in the front pews. Appropriate hymns were sung and the anthem, "Suffer Little Children," was beautifully rendered. Rev. C. Gordon Lawrence, the rector, gave an address specially for the children, describing for them the two leaders, Napoleon Bonaparte and Horatio Lord Nelson, and making the life stories more vivid by linking with them reference to the children of the church.

He told the children that the Prince William, who had recommended Nelson's appointment to command the British fleet at Trafalgar had been interested in the establishment of the Sunday school. Prince William's street was so called in his honor. Mr. Lawrence also told the young people of the church that the story of what is now the United States, had been told by the French to the Americans by an invasion of England, and that the naval victory at Trafalgar, which had cost Nelson his life, saved the British Empire from grave danger. In closing he asked the young people to remember that they were still great under a still greater commander, Jesus Christ, their Saviour.

AT CENTRAL BAPTIST

The services in Central Baptist church and Sunday school yesterday were of a special character, it being Rally Day. In the morning Rev. D. Knott, B. A., the pastor, preached a trenchant yet simplified sermon on the subject "Service Unlimited" in which he urged that all and sundry should give of their talents, no matter how limited, so that the world might be made the brighter, happier and more as Jesus taught it should be. He deprecated the idea of over-education and striving to be of impossible service, just be yourself was the spirit of his inspiring theme. In the evening Mr. Knott discussed "What is a Child Worth?"

The afternoon exercises in the Sunday school were particularly interesting. In addition to a special service of song, the graduation of a class of little boys and girls from the Primary Department into Junior ranks, was another group of graduates from the junior classes. Diplomas and merit cards were awarded to a large number of the children. The special preacher will be Rev. Dr. Clarence MacKinnon, of Halifax.

Very Rev. Dr. James Harvey, D.D., ex-Moderator of the United Free Church of Scotland, was one of three distinguished visiting preachers heard in city pulpits yesterday. He spoke in Portland United church in the morning, delivering a sermon of great eloquence and earnest appeal. He has come to Canada on the invitation of the United Free Church of Scotland and addresses a series of "Canada and World Service Conferences." His first addresses were given at the opening conference in Toronto two weeks ago. Last week he was in Halifax. He had just half a day to devote to Saint John and left yesterday afternoon for the conference in Winnipeg from where he will go to Saskatoon before proceeding to the Pacific coast.

DISCOVERY OF GOD.

In Portland church in the morning his text was II Corinthians, 4, 6, and his subject was "The Discovery of God." He dealt with the subject in two general divisions. Man everywhere, he said, was seeking after God and the revelation of God was found in the life and Person of Jesus Christ. Dr. Harvey by many appropriate passages of scripture and incidents of experience emphasized these two leading facts. He closed his most telling and spiritual appeal by pointing out the great added advantage that had come to the cause of Christ in Canada by the fact of the union of three great church bodies that God might more

MOTHER KILLS 3 CHILDREN AND THEN HERSELF

Los Angeles Attorney's Wife
Believed She Failed in
Duty to Kiddies

LOS ANGELES, Oct. 18.—Because she believed she had failed in her duty as a mother, Mrs. Ada B. Chamberlain, wife of John M. Chamberlain, Los Angeles attorney, put to death her three children, the oldest of whom was 9 years of age, and then ended her own life.

The four were found dead yesterday in a gas-filled room in a house which the mother had rented last Friday, a few hours before she and her tots disappeared from their home.

Police, reconstructing the tragedy,

report that before putting her children to death, the mother had treated them to a picture show. Returning to the rented house, she placed her babies in bed, gave them a sleeping powder and then turned on the gas. While the tiny lives were being snuffed out, the mother went into an adjoining room and penned four notes. She wrote that the two little girls, Edwin, 9, and Delamia, 7, passed away quietly, but that the boy, John Jr., 4, moaned five times. After finishing her writing, the mother calmly walked to her death in the gas-filled chamber.

In one of her notes, addressed to newspaper reporters, Mrs. Chamberlain explained that she could not let her children live in a world for which she had "failed to prepare them."

"I was capable of being a good mother, but just failed to put that duty first," Maude Adams said a girl cannot meet this world without a definite religious and home-training. She knew and we all know, let us have quiet, peaceful homes, fewer and better children," the message concluded.

Mrs. R. G. Fulton and Miss Catherine Amos left on the S.S. Empress this morning to attend the annual convention of the Maritime Religious Education Council which meets in Bridgetown, N. S., this week.

U. S. ENTRY RESTRICTIONS.

He referred to the immigration restrictions imposed by the United States and said they had raised serious questions in the minds of the Orientals as to the Christianity of the Western nations. As a protest against this attitude assumed in the United States and to a lesser degree in Canada there had grown a Pan-Asiatic movement which as yet was only in its infancy but the aim of which to resuscitate the mental and spiritual civilization of ancient Asia.

REV. DR. LAIRD SPEAKS

In Centenary church Rev. Dr. Robert Laird, treasurer of the United church of Canada, spoke last night on the responsibilities of the Church in Canada and overseas. His address was based on the words of Paul in his Epistle to the Galatians, "It was the great pleasure of God to reveal His Son in me that I might preach Him among the nations."

Emphasis was laid on the inheritance of the United church and the light of streams of religious experience that had flowed together to form the United Church of Canada. This union of gifts and forces carried with it very definite obligations for those enterprises which were the spiritual life and the passion for service of the churches had found expression.

GENEROUS SUPPORT

In the first year of the United church the maintenance and extension fund of the United church and the special number was a pageant of gifts and forces carried with it very definite obligations for those enterprises which were the spiritual life and the passion for service of the churches had found expression.

15TH ANNIVERSARY.

Rev. H. C. Rice, pastor of the Queen square United church, announced in the church yesterday that for the special observance of the 15th anniversary of the dedication of the church on Sunday next, the special preacher will be Rev. Dr. Clarence MacKinnon, of Halifax.

TRAFALGAR DAY THURSDAY.

Thursday, Oct. 21, being Trafalgar Day, it is anticipated that it will be generally observed throughout New Brunswick as well as in this Loyalist City of Canada. Not only will there be a fine display of flags, but Nelson's great victory will be impressed upon the majority of the school children and there will also be special adornments in the windows of leading stores of the city as well as other forms of recognition on the part of institutions and organizations.
