OCONEE AND DREAM.

On her trip up river on Thursday afternoon the steamer Oconee was disabled by a break in her machinery, which will keep her off the route for some days. The Dream is in her place and takes the daily run to Wickham. Because of this, the Dream had to cancel her Kennebecasis trips and also her late Saturday evening trip to the Cedars. She arrived at Indiantown at ten this morning with quite a number of passengers. The Oconee will go on the route again as soon as a new piece of machinery has been installed.

RAILWAY BOARD HERE IN NOVEMBER

A Chance to Make Objection to Discrimination in Freights.

Hon. F. B. Carvell, chairman of the railway board of commissioners, arrived in the city today at noon in a special car attached to the Boston train. Dr. S. J. McLean, assistant chief commissioner, is accompanying Mr. Carvell. To a Times reporter Mr. Carvell said that there would be a sitting of the board in Kentville, N. S., on Tuesday and one on Thursday in Bridgewater. He was not certain whether or not there would be a session in Yarmouth. The board would proceed to Halifax and, should it be necessary, a sitting would be held there on Friday. The present tour included the bi-annual trip of the board to various sections of the Dominion.

Asked in regard to a sitting in St. John Mr. Carvell said that it had been decided to hold sessions at both St. John and Halifax some time in November. This would afford opportunity to the people of the maritime provinces to voice their objections to alleged discriminations between here and Montreal and Montreal and the west, particularly in regard to freight rates.

Asked if his present trip was a forerunner of lower freight and passenger rates for the maritime provinces Mr. Carvell said that he did not anticipate any immediate drop as the board had recently decided, by a majority vote, not to make a cut.

Mr. Carvell and his party spent the week-end at Woodstock having arrived there from Ottawa on Saturday. He will leave the city this evening and proceed to Truro.

FLOOD IN CITY ROAD; THE CAUSE AND REMEDY

The heavy rain storm last evening caused a miniature flood early this morning in City road. The cellars of several houses in the vicinity of the Victoria rink were reported partially filled with water, while a certain amount of water gathered in the street. A resident said this morning that this occurred before. Commissioner Jones said this afternoon "that while he had not received any notice of this particular incident, he knew that the water often backed up there. The trouble is attributed to ashes washed down Hospital Hill and clogging the sewers. Mr. Jones said the council had been considering means of rectifying this trouble for some time, but it has been found that the only feasible method would be to have a new sewer built at the corner of Clyde and Forest streets and that this would entail a large outlay of money. He said, however, that he hoped to be able to have this new sewer within a few months.

LIQUOR STOLEN IN A HOLD-UP

Gun Play Part of Incident Near Lepreaux in Which Booty is Big.

Stories of a daring hold-up of three liquor-laden automobiles at Mink Creek, near Lepreaux, late on Saturday night, reached the city yesterday, and are somewhat suggestive of the activities of the famed Jesse James.

The automobiles are said to have been on their way from this city and were heading towards the Maine border. As a deserted spot, the road the drivers were suddenly confronted by several men, armed with rifles and revolvers, who stepped from the woods on either side of the road. Some shots are said to have been fired before the cars were brought to a stop.

Ordering the occupants of the cars to dismount, the highwaymen marched them at the point of the gun into the woods and left them there. When they returned they found that the automobiles, liquor and everything had disappeared, and up to the present it is understood that no trace has been found of them.

Residents of Mink Creek reported yesterday that they had heard shots during the night.

SPELLMAN AND O'BRIEN SENT UP

Counsel Ask for Maximum in Lemon Extract Case.

James Thomas Spellman and Edward O'Brien were sent up for trial this morning by Magistrate Ritchie in connection with the death of Albert Morris of Barrenville, N. B. William M. Ryan, who appeared on behalf of O'Brien addressed the court and asked that the defendants be sent up for trial on a charge of manslaughter and not murder. He said that there was no evidence brought out in the preliminary hearing that murder had been committed and he felt that in justice to the accused it should be changed to manslaughter. Magistrate Ritchie said that if he was trying the case he would give the benefit of the doubt, but he did not think it proper for him to make any change in the original charge. He briefly reviewed the evidence and committed the defendants for trial.

Earle Logan, who appeared for Spellman, asked when the case against Charles Paddock would come before the court. He felt that it should be dealt with before the defendants appeared for trial. He asked that the maximum penalty be struck as he manifested that the selling of the lemon extract was responsible for the trouble. Mr. Ryan also said that he would recommend that the maximum penalty be struck. Magistrate Ritchie said that the case would come up this day week.

SEPTEMBER BRIDES

Givran-Christie.

A very pretty wedding took place in St. David's Presbyterian church at six P. M. on Saturday, the 24th inst., when the pastor, Rev. J. A. The bride, who was given away by her father, wore a navy blue tricot suit, grey velvet hat with trimmings of grey and cerise ostrich and a grey squirrel stole, the gift of the groom. The couple were unattended. During the signing of the register, Miss Nita Brown sang very sweetly "O Promise Me." Mrs. J. J. Gunn presided at the organ. The ushers were John Howard and A. At the conclusion of the ceremony the bridal party motored to the depot, where Mr. and Mrs. Christie boarded the Boston train for a wedding trip to Boston, returning via Nova Scotia. T. Moore, and Arthur O'Dell VanWart of this city. The bride, who was given away by her father, wore a beautiful costume of crepe-de-chene with a veil and wreath of orange blossoms, and carried a bouquet of Ophelia roses. She was unattended. Following the ceremony a dainty wedding luncheon was served at the home of the bride's parents, 27 Vishart street, after which the bride and groom left on an automobile tour through the maritime provinces. On their return they will reside at 14 Vishart street. They were the recipients of many beautiful gifts.

DO WELL AT GLEN FALLS

The extraordinary weather for the time of year is producing much that is unusual in garden and field. Yesterday Theo Shaw of Glen Falls enjoyed some excellent string beans that were picked in plenty in his garden. Mr. Shaw also has three potatoes the total weight of which is four pounds and three ounces.

Stewart Fillmore of Glen Falls brought to the Times office this morning a bunch of purple violets and several strawberry blossoms and green strawberries picked yesterday afternoon in the vicinity of his home. He said that there were many of both plants in bloom in that locality.

Give The Bride Useful Things

The Bride thinks above all things of home furnishings—how cosy and comfortable and beautiful she can make this, her first home. So why not give something to help her carry out the idea uppermost in her mind? She isn't particularly interested in odds and ends—gifts quite superfluous when compared with things to round out and help beautify each room.

Useful presents for the September Bride not only will be appreciated so much more at the time they are received but will carry with them in the hearts of those to whom they are given a deeper sense of appreciation which will endure long after the other gifts are forgotten.
