Easy For Wilson.
Kenosha, Wis., Feb. 11.—John Wilson, defending his middleweight title for the first time since he won the championship nearly a year ago, last night knocked out Navy Rostan in the second round of a scheduled ten-round fight. Rostan never had a chance against the heavy blows delivered by the champion, Wilson sailing in at the start with the evident intention of finishing the fight as quickly as possible.

Montreal Bouts.

Montreal, Feb. 11.—Young Lewis, local starfighter, outpointed Willie Mure, of New York, in a ten round bout here last night. Lewis had the edge in every round. Eddie Summers of New York scored a technical knockout over Kid Hubert, a local featherweight, when he referee stopped the ten round bout in the fourth round.

Gibbons Knocks Out Melchior.
Toledo, Feb. 10.—Tommy Gibbons, of St. Paul, knocked out Tony Melchior, of Newcastle (Pa.), in the first round of a scheduled twelve-round bout here tonight. The round had gone forty-six seconds. But three blows were struck. A straight left to the jaw knocked Melchior down for the count of five, again for the count of three and then out. The men are light heavyweights.

Fisher gold trophy from Rainbow, owned by P. B. Greening of Hamilton, Ont., in a fifteen-mile breeze and choppy sea against the United States championship from the Canadian craft over a two-mile course for a distance of fifty miles. The time was one hour and 18 minutes.

Rothsley, Five; Sussex, Four.

Sussex, N.B., Feb. 10.—An exciting game of hockey was played here tonight between the Rothsley College boys and the Sussex High School team. Rothsley won by a score of 5 to 4, but this score does not altogether indicate the merit of play as the visitors were kept busy the most of the time in their own territory and had it not been for their star goal tender the count undoubtedly would have been reversed. Score by periods: First—Rothsley, 4; Sussex, 1. Second—Rothsley, 1; Sussex, 2. Third—Rothsley, 0; Sussex, 1.

Big Crop of New Baseball Managers for Next Season

SEVEN OF THE 16 MAJOR CLUBS WILL HAVE NEW MANAGERS—MACK AND McGRATH STILL SURVIVE—THE NEW ONES.

(By Associated Press.)
New York, Feb. 11.—Seven of the sixteen clubs in the major leagues, three in the National and four in the American, will take the field for the 1921 campaign under the leadership of new managers. The opening of nearly every baseball season finds one or two new managers, but it is a long time since there has been such a general shakeup among the field generals of the major league clubs. With all the changes of leaders that have been made from year to year there are two managers who stand out prominently in the history of baseball because of their long service with their respective clubs—Connie Mack of the Philadelphia Athletics and John J. McGraw of the New York Giants. Mack has led the Athletics since they entered the American League in 1901, and has won six national and three world's championships. McGraw became manager of the Giants in 1902, and like Mack, has piloted his team to six pennants, but has won the world's championship only once.

Hughes Takes Staff.
One of the most notable changes the manager for the coming season is the appointment of Ty Cobb to lead the Detroit Tigers as the success of Hughes Jennings. The latter quit the Tigers after fourteen years, during which he won three pennants, to become assistant manager of the Chicago White Sox. What Cobb will do as a major league manager will be closely watched by the fans throughout the country. As a player he has won about every honor the game affords with the exception of playing on a world's championship team, and has been proclaimed by all one of the greatest players in the history of baseball, and by some the greatest.

While Ty is not the Cobb of a few years ago he still is a great player and remains to be seen what effect, if any, the duties of manager will have upon his playing. Like Tyis Speaker, manager of the world's champion Cleveland team, Cobb will continue to play centre field, and he and Speaker will be the only playing managers in the major leagues. They also are said to be the highest paid active players in the game, each drawing salaries both as players and managers. In addition, Speaker is said to have received an interest in the Cleveland club for winning the first pennant and world's championship for the city.

Another change of managers that ended a long career of leadership on the diamond was that of the Washington club. Clark Griffith, who has become principal owner of the club, turned over the managerial duties to his able lieutenant, George McBride, for many years shortstop of the team. Griffith managed the Washington club for nine years, and previous to that had served as manager of the Chicago White Sox, the New York Yankees and the Cincinnati Club. Griffith now will devote all his time to the executive business of the club of which he is president. McBride began his major league career with Washington in 1908 and played shortstop until a year or two ago.

Some of the New Ones.
Hugh Duffy, famous as an outfielder and batter several years ago, will leave the Boston Red Sox as the successor of Edward G. Barrow. The latter, who managed the Red Sox three years, winning a pennant and a world's championship, is now business manager of the New York Yankees.

Lee Fohl, a former manager of the Cleveland team, will lead the St. Louis Browns, in succession to Jim Burke, who has signed as coach of the Red Sox.

Changes of managers in the National League involve the Boston, Chicago and Philadelphia clubs. George Stallings gave up the management of the Boston Braves after eight years to become
