BE SUSPICIOUS OF TENDER GUMS

Be suspicious of any tenderness or bleeding of the gums. This is usually the first stage of Pyorrhea—an insidious disease of the gums that destroys the teeth and undermines bodily health.

Gradually the gums become spongy. They inflame, then shrink, thus exposing the unenameled tooth-base to the ravages of decay. Tiny openings in the gums form gateways for disease germs to enter the system. Medical science has traced many ills to these infecting germs in the gums weakened by Pyorrhea.

They are now known to be a frequent cause of indigestion, anemia, rheumatism and other serious conditions.

So watch carefully for that first tenderness or bleeding of the gums. Try Forhan's immediately. It positively prevents Pyorrhea (Riggs' Disease) if used in time and used consistently.

And in preventing Pyorrhea it guards against other ills. Forhan's (For the Gums) cleans teeth scientifically as well. Brush your teeth with it. It keeps the teeth white and clean.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment.

HALLOWEEN CELEBRATIONS

A successful Halloween supper was held by the Sewing Circle of the Tabernacle church, under the sponsorship of Mrs. William Foster, the president, and Mrs. George Fry, the secretary, who were assisted by Mrs. Hayward, Mrs. Titus, Mrs. Stewart, Mrs. Blair, Mrs. Andrew Patterson, Miss Denham, Mrs. Harry Mallory and Mrs. Geldart.

The boys enjoyed an enjoyable Halloween party in the Y. M. C. I. on Saturday evening, under the direction of W. E. Stirling, physical director. After the drill by the instructor, races and Halloween games were indulged in, including the historic bobbing for apples. The Y. W. C. A. gymnasium class were given a merry time at their ghostly masquerade party in the recreational centre in the evening. Every Halloween game was indulged in and the fortune telling was presided over by Mrs. J. Hunter, Miss Hazel Smith and Miss Keirstead. The ghost's dance was staged to the accompaniment of shrieks, groans and rattling chains. Miss C. W. Littlefield, physical director, who arranged the programme; Miss Tapscott, the general secretary, and Miss Phyllis Woods, girls' work secretary, sat around their cauldron fire as witches and chanted songs from Macbeth. Miss McGowan sang a solo during the evening. Mrs. W. H. Luggden and Mrs. W. C. Cross directed the serving of refreshments. The following won prizes for best costumes: Miss Curry, Miss Hatch, Miss Grace Fleming and Miss Fern Bulmer.

For the Piano—and all fine Furniture

THE care of a costly instrument involves the use of a polish so dependable as to be absolutely "above reproach". The fact that O-Cedar Polish is used for piano polishing in preference to all other preparations, by thousands of women, is as strong a recommendation as you could have for its use on less costly articles of furniture and on woodwork.
It is preferred in most homes, because it cleans as it polishes, producing a high, dry, lasting lustre and bringing out the beauty of the grain.
O-Cedar Polish 30c. and 60c. a bottle, \$1.50 to \$3.50 a can.
O-Cedar Polish Mop, with 54-inch handle \$2.00.
