Mlle. Vitoz's group now on exhibition in Paris.

Hints for the Cook

Rhubarb Pie

Two level tablespoons flour, 1 cup sugar, beaten in one egg until creamy; ⅛ teaspoon salt, 1 tablespoon butter, 1 teaspoon lemon juice and 2 cups of rhubarb, cut in inch pieces. Bake between two crusts.

Spice Cake

Cream ½ cup butter with 1 cup of sugar, add 1 cup buttermilk with 1 teaspoon of soda dissolved in it; then add 2 cups flour, mixed and sifted with 1 teaspoon each of salt and cinnamon, ½ teaspoon of cloves, ¼ teaspoon nutmeg and ½ cup raisins. Bake in moderate oven.

Orange Pudding

Take the juice of 4 large oranges, add 1 cup of sugar and let stand until the sugar is dissolved. Cook in a double boiler 1 quart of milk and 2 heaping tablespoons of corn starch. When it begins to thicken add the yolks of 3 eggs beaten with 1 cup of sugar. Let cook until quite thick. When cold add 1 teaspoon of vanilla and pour over the orange juice. Make a meringue with the whites and brown in the oven.

"Now, boys," said the schoolmaster, "I want you to bear in mind that the word 'stan' at the end of a word means 'the place of.' Thus we have Afghanistan—the place of the Afghans; also Hindustan—the place of the Hindus. Can any one get another example?"

Nobody appeared very anxious to do so until little Johnny Snaggs, the joy of his mother and the terror of the cats, said proudly:

"Yes, sir, I can. Umbrellastan—the place for umbrellas."

Neave's Food FOR INFANTS

What a Mother who has raised two fine boys on it says.

133 Boultbee Ave., Toronto, 29 March, 1913.

"In addition to our two sturdy boys, we have a dear little baby girl aged 5 months. Her name is Eva Muriel, and of course we are bringing her up entirely on Neave's Food, as we believe that to be the very best food in the world for babies. She is getting along fine and is strong and healthy, and so bright and contented. She has been fed on Neave's Food since she was two days old and it suits her admirably, as I am sure it would suit every other child if it was properly made. That little "Jack" I spoke of is such a sturdy little boy now. Neave's Food certainly saved his life." Mrs. J. W. PATEMAN.

Mothers and prospective mothers may obtain a free tin of Neave's Food and a valuable book "Hints About Baby" by writing Edwin Utley, 14 L Front Street East, Toronto, Agent for Canada.

Neave's Food is sold in 1 lb. tins by all Druggists. 55

"GUILTY" IS VERDICT IN BECKER CASE

Former Police Lieutenant Found Guilty of Murder in First Degree

New York, May 22—Twelve men decided today for the second time that Charles Becker was the arch conspirator responsible for the Rosenthal murder, which nearly two years ago awoke New York to a realization of corruption in the police department and opened a new era of police reform.

Becker, once a police lieutenant, was found guilty of murder in the first degree. Only a pardon or interference again by the court of appeals can save him from following to the electric chair the four gunmen who shot Herman Rosenthal, the gambler, early on the morning of July 16, 1912. The jury today decided that the gunmen were Becker's agents.

Becker's face was grey as he gripped the bar in front of him with all his strength. The big muscles in his neck jumped out in heavy rolls. The veins at his temples swelled. His great frame swayed and drooped; then with quick control he became himself again.

Mr. Manton, told by the court he would be granted a reasonable time in which to make any motions he deemed advisable, asked for one week and received it.

"Charles Becker, you are remanded to the Tombs prison until May 29," the court announced.

Easy & Practical Home Dress Making Lessons

Prepared Especially For This Newspaper by Pictorial Review

A SUMMER LINEN.

Natural color linen frock trimmed with brown or white embroidery and buttons of its own or contrasting material. The belt and tie are separate details.

This dainty dress is simple enough to please the most exacting, having only enough trimming to offset an absolutely severe effect. Natural color linen with white, brown or red embroidery is smart.

Four and one-half yards of 36-inch linen at 25 cents a yard will make the dress. The buttons may be of the same or a contrasting material. After cutting out the dress, take the waist, then turn under the edge of the front on slot perforations; stitch carefully. If there is any doubt of your ability to keep this line perfectly straight it would be well to outline it with chalk, which can be brushed off afterward. There are double "TT" perforations at the front and back, and these should be followed in gathering the waist to add to the yoke or, rather, to the back, which extends over to the front in yoke effect.

Next, sew the large collar to the edge of the neck; then attach the standing collar to the shield, if it is to be used. Hem or face the pocket, using a shaped, bias fold of the linen; then stitch to the front. There is a large "O" perforation indicating the pocket front. Close the sleeve seam; then stitch the cuff to the lower edge and turn it back. If the elbow length sleeve is used it will be necessary only to hem the sleeve. The embroidery is added afterward to the sleeve, yoke and collar.

The front of the skirt is treated exactly as was the waist because the tucked effect is continued down the entire front of the dress. The folded edges of the right front and back gores should then be lapped and stitched so that the edges of the front gore are left free above single large "O" perforation for placket. The side seam is closed from upper edge to extension, as notched. Now pleat at the seam, bringing "T" to single large "O" perforation and tack. Turn under edge of back gore on double "oo" perforations, lap to small "o" perforations, notches even, and press. Tack tab to position. Gather back gore or lay the fullness in fine tucks, if preferred, and sew to the waist.

The buttons are added last of all.

At the Lamb's Club one night a player, whose conceit is in inverse ratio to his ability, was complaining to William Collier that, by reason of the curious hostility of the critics he was unable to obtain a lucrative engagement.

"What do they say?" asked Collier.

"That's just it—they don't say anything about me. I tell you, there is a conspiracy of silence against me. What would you do?"

"Join it," advised Collier.—Lippincott's.

Each Meant Different.

"I don't expect to call on you for a long time again," said the young man, departing.

"Well," replied the sweet young thing with a yawn, "I'd like to have you call, but not for so long a time again."—Yonkers Statesman.

On Second Thought.

A Good Breakfast For Five Cents

The food that supplies the greatest amount of digestible nutriment at smallest cost is

SHREDDED WHEAT

the only breakfast cereal made in Biscuit form. Contains all the body-building material in the whole wheat grain made digestible by steam-cooking, shredding and baking. Two Shredded Wheat Biscuits, eaten with hot milk and a little cream, make a complete, perfect meal at a cost of four or five cents. Ready-cooked, ready-to-serve.

Always heat the Biscuit in oven to restore crispness. Two Shredded Wheat Biscuits with hot milk or cream will supply all the energy needed for a half day's work. Deliciously nourishing when eaten in combination with baked apples, stewed prunes, sliced bananas, canned or preserved fruits. Try toasted Triscuit, the Shredded Wheat wafer, for luncheon with butter, cheese or marmalade.

12 Tumors Removed Without An Operation

Silver Lake, Ont., Sept. 20, 1909.

Dear Mrs. Currah,—I am enjoying better health than I have for eight years, and I think I am entirely cured. I have none of the old symptoms. I am very grateful for my present health, and think Orange Lily is the greatest treatment for women the world knows. Its use in my case caused 12 tumors or growths of some sort to be expelled. Some were as large as a hen's egg, and others smaller, down to the size of a walnut. You may use my case in your advertisement, for it is the solid truth, and pen cannot describe all the good it has done for me. Mrs. Louise E. Bolteridge.

This letter gives an indication of the positive benefits that always follow the use of Orange Lily. It is an applied treatment and comes in direct contact with the suffering organs. It produces results from the start in all cases of women's disorders, including painful periods, falling of womb, irregularities, leucorrhoea, etc.

I will send a sample box containing 10 days' treatment absolutely free to any suffering woman who has not yet tried it if she will send me her address. Enclose 3 stamps and address MRS. FRANCES E. CURRAH, Windsor, Ont. 6

TWO WOMEN SAVED FROM OPERATIONS

By Lydia E. Pinkham's Vegetable Compound—Their Own Stories Here Told.

Edmonton, Alberta, Can. —"I think it is no more than right for me to thank you for what your kind advice and Lydia E. Pinkham's Vegetable Compound have done for me.

"When I wrote to you some time ago I was a very sick woman suffering from female troubles. I had organic inflammation and could not stand or walk any distance. At last I was confined to my bed, and the doctor said I would have to go through an operation, but this I refused to do. A friend advised Lydia E. Pinkham's Vegetable Compound, and now, after using three bottles of it, I feel like a new woman. I most heartily recommend your medicine to all women who suffer with female troubles. I have also taken Lydia E. Pinkham's Liver Pills, and think they are fine. I will never be without the medicine in the house."—Mrs. FRANK EMSLEY, 903 Columbia Avenue, Edmonton, Alberta.

The Other Case.

Beatrice, Neb.—"Just after my marriage my left side began to pain me and the pain got so severe at times that I suffered terribly with it. I visited three doctors and each one wanted to operate on me but I would not consent to an operation. I heard of the good Lydia E. Pinkham's Vegetable Compound was doing for others and I used several bottles of it with the result that I haven't been bothered with my side since then. I am in good health and I have two little girls."—Mrs. R. B. CHILD, Beatrice, Neb.

THE NEW WAREHOUSES

R. E. Armstrong, secretary of the board of trade, yesterday afternoon wired to the Hon. J. D. Hazen, impressing upon him the absolute necessity of rushing the work of building sheds and filling in at West St. John in preparation for the coming season. Last night he received an answer from Hon. Mr. Hazen.

The reply was as follows:

R. E. Armstrong, Secretary St. John Board of Trade:

Before receiving your telegram I had taken up the question of building sheds on the West Side with the public works department and will be able to give you definite information very soon.

J. D. HAZEN.
