SPORT NEWS OF A DAY, HOME AND ABROAD

Athletic Every Day Club Races. The Every Day Club pulled off the scheduled events, namely, the twenty mile bicycle race and the ten mile road race Saturday afternoon, notwithstanding the rain and muddy roads. In both these events keen interest was displayed but the bicycle race in which only two contestants started proved somewhat of a failure owing to the heavy roads and disagreeable weather. Winchester, of Charlottetown, was thrown from his wheel when he had finished five miles, but owing to the fact that his opponent, O'Brien, of Amherst, took the wrong course, Winchester was awarded the trophy. The running event, however, was brim full of interest and the seven contestants were "neck-to-neck" the whole way over the course. Chambers, the local Y. M. C. A. representative, carried off the honors, and won the race particularly through his great endurance power. His great advantage was in climbing the hills, and in this respect he was superior to any of the other contestants. He led for the greater part of the course. Thornton, of Halifax, who held fourth place over the major part of the race, took a wonderful sprint after passing the Three Mile House, and jumped into second place, which he held to the end. Coward, of Fredericton, won third place, and Peterson, of the Halifax Wanderers, fourth. The time of the bicycle race was 1 hour and 20 minutes, and of the road race fifty-seven minutes and forty-two seconds. The officials were:—C. E. MacMichael, referee; A. W. Robb and Arthur McHugh, starters; A. W. Covey, G. E. Henson, Gerald Stanton, M. Donoghue, and Charles Cromwell, judges; C. S. Humbert, A. W. Covey and A. M. Belding times.

OPENING GAME OF THE WORLD SERIES

Yerkes of the Boston Red Sox just after hitting the ball in the 7th inning, when his single brought home Wood and Hooper, making the score 4 to 2 and filling with gloom the hearts of the loyal Gotham fans.

THRILLING MOMENT IN OPENING GAME

In the 3rd inning, Devore was passed by Wood and started to steal just as Doyle dropped a two-base hit between Gardner and Lewis. It was a nip and tuck race for 3rd base between Devore and the ball—Devore winning out. The photo.

RED SOX NOW HAVE THREE TO CREDIT

Boston, Oct. 12.—Overcoming the New York Nationals today by a score of 2 to 1, the Boston, pennant winners of the American League, need but a single victory to attain the world's baseball championship of 1912. The world's series now stand: Boston, three games won; New York, one; one contest a tie. More than 34,000 people, a record-breaking baseball crowd for Boston, saw a pitching duel in which Hugh Bedient, a young star, sparkled as a new star in the baseball firmament. Three hits were the Giants' portion from Bedient's effective service, but for an error by Gardner, the young hurler would have turned back the New York club to defeat in nine scoreless innings. Only a shade less brilliant than the box work of Bedient was the skill of the old master, Christy Mathewson, who, except for two long distance drives in the third inning, held the Red Sox helpless by the magic of his curves. Bedient pitched the best ball that has been shown so far in the five games of the world's series. He had not been regarded as a likely choice for mound duty during the championship games and it was not until several innings had passed that the thousands of spectators realized that the Giants were facing a quality of pitching that was most baffling when his meant tallies. Track Notes. Hans Holmer has arrived in the United States and began training for the professional Marathon that will be held at the Vailburg Motordrome on Sunday, October 20. Among the men who will have to meet are Willie Kohlmann, The Jahansson, Billy Quail and Jim Crawley. Word has been received from A. B. Toulie, the champion professional sprinter, that he will be unable to visit this country for the proposed series of races this fall. He is booked to forward a series of races with Reggie Walker in Australia, but says that if arrangements can be made he will be in the United States soon after the first of the year.

Field was muddy, which prevented good playing. The locals were weak in their forward line and in this quarter had to give way to the better trained and heavier men of the visiting team. Mr. Church was referee. The first half proved tight, but the closing half gave the Fredericton team the opportunities. They piled up three touchdowns while the locals scored one. Following was the line-up of the local fifteen: Forwards—Morriser, Stubbs, Evans, Climo, Marsh, McDonald, Nelson. Quarters—Simms, Gilbert and Jennings. Halves—Brooks, Rev. William Malcolm, Dr. D. Malcolm, Melrose. Full—Aplin. The line-up of the Fredericton squad was: Forwards—Brewer, Malone, Alexander, Dugay, Jewett, Renault, Cass and Veniot. Quarters—McGibbon, McFadden. Halves—Murray (Capt.), Balkan, Mainman, Murphy. Full—Ottly.

Columbia Lacrosse Association this season for Vancouver, and was remunerated at the rate of \$600 a game. He intends to play hockey this winter, but just where he has not determined. "Newey" has several flattering offers for his services, but he intends to look over the situation in the east before he signs a contract. He had an optional contract with Frank Patrick, manager of the Vancouver Hockey Club, for the season, at a salary of some \$1800, but he has informed Mr. Patrick he did not intend to exercise the option. George Kennedy manager of the Irish-Canadian Club of Montreal, wants Lalande as playing manager of his team this winter, and it looks as though he will get him, in which event it is very probable that Lalande will remain next year as manager of the IBC team of the Irish-Canadians in the Dominion Lacrosse Union.

Baseball Saw the Games Frank Trainor arrived home from Boston on Saturday after seeing some of the world series games. He gives an interesting account of them and of the work of the players. American Win. The St. Louis American League team defeated the St. Louis National League team on Saturday 4 to 0. This was the first game of the series, to decide the city championship. They Back up Matty. Christy Mathewson's suggestion, for a players' share in the extra game which is brought about as the result of the tie game battle of Sox and Giants, which is virtually a demand, is now the topic among the players on the Red Sox and Giants team. Mathewson maintains that the players are entitled to share of the receipts of a tie game which is played off. The Giants players at once joined Mathewson and when players on the Red Sox team heard of it they, too, fell in line. Despite the fact that Garry Hertzman said that the question was entirely out of his hands, it is probable that the players' demand will be put before the National Commission. Chairman Herrmann of the National Commission when asked about the matter said: "If the clubs present their demands to me the only thing that I can tell them is that the matter is entirely out of my hands. The rules governing these contests were framed and passed by the sixteen major league clubs, and we have nothing to do except to carry out the rule."

Highway to Hampton Bad—To Move For Action Members of the New Brunswick Automobile Association to the number of about thirty-five made the run to Hampton on Saturday afternoon, and on the way stopped to make what repairs they could to the road. Trucks with gravel and some laborers were sent on ahead to prepare for their coming and the members went armed with picks and shovels. R. D. Paterson had gone ahead to stake out the worst spots and marked 130 of the very worst and could easily have doubled the number. Work was done on about forty of these. In the evening the members met in Hampton for dinner and afterwards held a conference. In the absence of the president, T. P. Regan, who had remained behind to direct the completion of the work, W. H. Darabaly presided. He referred to the impossible condition of the roads of the province and urged that immediate steps be taken to secure prompt action by the government. He said the government should borrow enough money, adopt a proper system of road building and go ahead with the work. W. B. Tennant said that a strong delegation should be sent to Fredericton to insist on immediate action. Three members of the government were in favor of a progressive road policy and of floating a bond issue to build highways, but when such a thing was advocated to Premier Fleming the latter intimated that the one making the suggestion was insane. Mr. Tennant advocated the abolition of statute labor and the payment of all road taxes in money. He also suggested that as their interests were in common they should enlist the co-operation of the farmers and horsemen. Percy W. Thomson agreed that a bond issue was necessary to be expended under competent engineers. He suggested that a joint committee composed of the various decided best.

Fredericton Won. Fredericton High School defeated the St. John High School in the first football match in the Intercollegiate Football League, played in Fredericton on Saturday. The score was 6-0. The field was muddy making good playing almost impossible. C. M. Lawson of the St. John High School staff was referee. The teams lined up as follows: Fredericton H. S.—Full, Vanwart; halves, Barbour, Dhan, Oldham, Coy; quarters, Drummond, Waring, Gibson; forwards, Gorman, Oran, McGuire, Hickson, White, Callahan, Robinson. St. John H. S.—Full, McQuaid; halves, Howard, Millidge, Donnelly, Macburn; quarters, Harvey, Edgcombe, Bridges; forwards, Griffiths, Boone, McKnight, Good, Cass, Jewett, Betts. U. N. B. Victorious. The football season opened on Saturday when the U. N. B. fifteen lined up against the local team from Company A, 62nd Fusiliers, on the Marathon Grounds. The

London, Oct. 12.—The surprise of the day in the first league was the defeat at home of Everton by Bolton Wanderers. The Tottenham Hooplers and Notts County match was subsequently abandoned. 100,000 See Glasgow Game. Glasgow, Oct. 12.—In the Glasgow Cup tie, Rangers beat the Celtic by three goals to one. There were 100,000 people present as the whistle blew for the kick off, while thousands outside rushed the gates, several being injured. The game was set at a cracking pace, which was maintained to the finish. The Rangers lasted best.

The Ring Johnson has Brother Arrested. Chicago, Oct. 12.—"It's just a case of too much brotherly love on my part," said Jack Johnson, after he had had his brother Charley arrested here, charging him with grand larceny, forgery, obtaining money under false pretenses and a few other counts. "I had him arrested for his own protection," he said. "Isn't that an evidence of brotherly love?" Johnson's Battles. Jack Johnson has announced that he has accepted the offer of \$55,000 to fight Sam Langford and Sam McVay in Australia. He will fight Langford on Dec. 26, and will leave at the last of the month to train in Australia. The papers are being signed today. Easy for McCarty. Al Kaufman fell an easy victim to the Missouri giant Luther McCarty in the second round of a bout in San Francisco on Saturday. The giant downed Kaufman three times with lifts and rights to the jaw and once sent him clear of the ropes. The police stopped the fight. Hockey Money in It For Him. CORNELL HAS 4,800 STUDENTS Ithaca, Oct. 14.—An increase of about 200 students at Cornell University is shown by the records this fall. Allowing for late registrations there will be approximately 4,800 students attending the university this year. This does not include the 1,700 who attend the winter courses and the summer school. Dean Thomas F. Crane, one of the professors who was on the teaching staff during the year during the absence of President Jacob Gould Schurman, who is ambassador to Greece this year. John Paul Jones has been elected president of the senior class. He is a famous track athlete and holds the world's record for the mile. interests affected should be formed to press the matter. Among other suggestions made W. C. Allison advocated the formation of a Good Roads Association. It was finally decided to continue the meeting later when committees could be appointed to go into the matter more thoroughly and take what steps might be decided best.
