### THE GREAT CAUSE OF HUMAN MISERY.

We have recently published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY of the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Inactivity, impediments to Marriage, etc. resulting from excesses.

Price, in a sealed envelope, only 6 cents, or two postage stamps. The celebrated author in this admirable Essay clearly demonstrates, from thirty years successful practice, that alarming consequences may be radically cured, without the dangerous use of internal medicine, or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and man in the land.
