

The second missionary meeting was held on December 15th; subject, the North-West Indians. The names of a number of the missionaries now in the North-West were read, also letters from Thomas Paton, and Dr. Robertson, and several sketches of the work in the North-West.

The membership at present is thirty-two, a decrease of six since last year. The average attendance for the year was fourteen. The attendance has been very encouraging, as the average last year was fourteen with a membership of thirty-eight.

We are sorry to have to report a falling off in the honorary members; we had seventeen last year, and only eleven this year. We would be much pleased to see more of the ladies of the church attending our meetings and taking an interest in our work.

A fruit social was held on September 23rd. The Rev. Mr. Scott, of St. John's Church, City, gave an address on mission work in general. Recitations on mission work were given by members of our Band. Tickets were sold by the members, the proceeds of which amounted to \$12.47.

During the month of September we sent two quilts, some prettily dressed dolls and other toys to India.

A special meeting was held on December 27th for returning our talents, five cents being given to each member to increase during the year. Twenty-one members brought back their increases, amounting to \$23.00.
