naniacs; no eminent counsel suggested that they would suffer in health by confinement: no one pitied them, and no one igned a petition to the home secretary shorten their sentences. What matter how a poor, fainting, friendless governess, or a half-starved seamstress suffers? . Give them hard labor, and plenty of it. What if their health is injured? Let them die. Let Mrs. Casout of prison, Sir Matthew White Ridley; she has moved in the best circles, and she has had no need to steal; but, do not reduce the sentences of the seamstress and governess by a single The best circles know them not. They are poor and helpless; which, in

to the law since 1883. The sentence

seems to me light, considering the cir-

cumstances. I do not believe in klepto-

mania, for it only seems to attack the

rich; and, if it really exists, I am sure

the punishment of every person stealing

while suffering therefrom would have a

ery deterrent effect upon it spreading.

Mrs. Castle got off cheaply, when sen-

tenced to prison for three months with-

out hard labor. The effect on her health

seems improbable, for I gather she has

been travelling in Europe, and except

for the matter of stealing, her health

was the same as anybody's else. Prob-

ably the regret for what she has done,

will weigh on her spirits, but this is pre-

cisely the state that imprisonment is in-

tended to produce on a prisoner, and if

this regret really caused her to be ill

she will be transferred to a hospital,

where she will be cared for by all con-

nected with it. This Castle case is re-

markable for the many objects found in

the Castles' trunks stolen in Vienna

How were the custom houses passed on

the journey to England? One would

have thought the officers would have

Ont., on the 29th day of July last, and was that the defendants agreed to sell and convey by good and sufficient conveyance to the plain. press messenger had a narrow escape, tiffs a three-fifths interest in the mineral claims Mascot and Mascot Fraction, situated in the Trail district of West Kootenay. The purchase price of the

claims was \$24,000. Of this \$4000 was paid down and the rest to be paid in hirty days. The plaintiffs claim that the defendants disposed of the mines to other parties before the thirty days had expired. As the property is now valued at the large sum of \$1,500,000 they claim \$50,000 damages for breach of agreement.

DIVISION OF CHINA.

England Rejected a Proposal by the Powers to Partition the Country.

London, Nov. 10 .- In the course of a speech at Enfield this evening Sir Charles Dilke, the well-known authority on international politics, said in jail. that England had recently rejected a proposal by the three great powers to partition China. He also says that the leged recent inspection of the ports of Dardanelles by a Russian general, was by orders of the Russian government and that it was therefore probable hat Russia would regard a British atack on the Dardanelles as a casus belli. Vienna dispatch to the Times, aluding to Russia's efforts to secure trade with China, says that Russian silver roubles are being minted in large quantities for circulation in China in view of e fact that Chinese confidence in the gang was lynched. Richardson lately American silver dollar has been some-

what shaken.

ation of another reign of terror here. Miners on their way to work and citizens known to be opposed to a further continuance of the strike have been waylaid and brutally beaten frequently of late and now there are reports of a object to this course. purpose on the part of the malcontents here to renew the work which they began on the Coropado and Emmet mines in September last. The council decided to immediately increase the police force and favorably considered the passage of a curfey ordinance which would clear the streets of gangs of young noodlums who have been very demonstrative toward the imported miners.

NORTHERN PACIFIC ACCIDENT.
