Hetherington, the man who escaped from the Provincial Hospital last week, was captured yesterday, but not before he had enjoyed a vacation of some length.

The simple life was Hetherington's choice. He walked about in a frock coat, and there was hired to help in the haying by a farmer named Brown. He proved a good worker, but his employer soon began to notice the strangeness of his actions, and suspecting Hetherington's real status, he telephoned to the authorities at the hospital. So well did his description of the man fit the description of the two keepers were sent to bring him home. His recapture was effected, and he was placed in the institution again last evening.

DECIDES NOT TO WAVE MONIES

The St. John Medical Society last evening decided not to invite the Canadian Association to meet in this city in 1910.

The Canadian Association, which began its year in Winnipeg in 1909, is anxious of coming to St. John next year. It has been sixteen years since the meeting of the Canadian Medical Association has been held in this city.

Although the St. John Society has before now extended an invitation to the Dominion society a strong minority feels that St. John should have the honor of hosting the convention here. It is recognized that this city is well situated for the holding of conventions and that such a gathering would greatly benefit the city.

The fact that the local society has just completed a change in its constitution is urged as a reason why an invitation should not be extended to the Dominion body.

ENGAGES A LUNATIC TO HELP PUT IN HAY

ORDER NOW HAS 2,000 MEMBERS

MONCTON, N. B., Aug. 24.—Important amendments and alterations to the constitution and perfecting the organization were held yesterday afternoon at the annual meeting of the Canadian Brotherhood of Railway Employees when it opened its third annual convention here this morning. Three sessions were held today. There is good representation of delegates from the different divisions all over the road.

The grand officers present are: A. R. Mosher, Halifax, grand president; W. M. Collins, St. John, vice president; T. E. Jenkins, Levis, vice president for Quebec; S. C. Alward, Moncton, vice president for New Brunswick; G. A. W. Robertson, Charlottetown, vice president for Prince Edward Island; Neil McKinnon, Sydney, vice president for Nova Scotia; G. D. Leblond, Moncton, grand recording secretary; W. W. McLean, Halifax, secretary and treasurer; W. J. McCreary, Sydney, grand warden; P. J. O'Rourke, Moncton, grand messenger.

Grand directors—P. A. Smith, St. John, C. H. Kinney, J. A. LaMontagne, J. A. Bourdard, F. McPherson, G. W. Worthington.

The Canadian Brotherhood of Railway Employees was organized last October with a membership of 500 and has rapidly grown until today it has passed the 2,000 mark. Since the first of the year large divisions have been organized at Halifax, Springfield, St. John, Amherst, Newmarket, Charlottetown, and Bridgewater.

Reports submitted show the brotherhood affluence, especially finances, in flourishing condition. The feature of today's session was an address by the Grand President, A. R. Mosher. The convention will close tomorrow, when the election of officers take place.

Geo. Methuen, who is referred to in the evidence of Mr. Morris in Free Speech case, contradicts the Greek Tribune to him, but came into his shop and introduced himself asking to be taken to Press Special office and introduced to the editor.

GREAT DAMAGE TO MOTOR BOAT

Yesterday afternoon J. Everett Walters' motor boat "Marconi" was destroyed by fire to the extent of between five and hundred dollars. The boat was in Dunn's slip, in front of Mr. Walters' store. About 4 o'clock a fire was discovered in the boat, and the fire apparatus was immediately summoned. After about a half-hour's work the fire was extinguished, but not before the engine was completely ruined and the sheathing on the inside completely destroyed. It is not known just how the fire started. Mr. Walters' brother, Thos. Walters, was working at the boat about three-quarters of an hour before the fire was discovered, but the engine was not hot. At the time the fire started a crowd of boys were loitering around the slip, just before the fire was discovered, and it is possible that some of them mischievously set fire to the boat. The boat at the time was not in the water, but was high and dry in the mud. Mr. Walters said last evening that he was not sure that the engine was totally ruined until he could test it. If it is the loss will be very heavy, as the engine alone was installed at an expense of six hundred and fifty dollars.

NEW BRITISH FLEETS MEAN NO MORE WARS

HALIFAX, N. S., Aug. 24.—Hon. G. E. Foster gave a lecture tonight in the Masonic Hall on the Growth of Canada and Her Imperial Relations. It was practically along the lines of his speech in the House of Commons last winter. Judge Longley presided and the lecture was delivered to an audience that filled the hall.

Although the promoter failed in his effort to have it delivered under the auspices of the Canadian Club, Mr. Foster dilated eloquently upon the progress of Canada since confederation and declared that the apex of development had not yet been reached. He deprecated the bogey of independence, and said two lines stretched before Canada, co-operation with the mother land and co-partnership with other parts of the Empire.

Dealing with the naval question he scouted the idea of this being an age of peace and said Canada had affirmed in parliament her obligation to assume her share of the burdens of defence. Three methods for carrying this into practical effect had been proposed, namely purely a local navy, which he ridiculed as physically and financially impracticable; secondly, handing over ships absolutely to the admiralty, and thirdly, to build a Canadian fleet to co-operate with and in time of war be a part of the British navy.

He declined to commit himself in the latter proposals pending the development of the government's plans.

He concluded by saying that the union of scattered portions of the Empire was the great question of the day.

With a united Empire, though several navies, with one navy, one flag, one civilization, the British Empire was destined to become a power which would render war impossible in the future.

AMUSEMENTS

AUNT MARY AGAIN.

Another large audience last night greeted May Robson in the Rejuvenation of Aunt Mary in the Opera House. Miss Robson is such a clever artist that there is no room for even the most capricious critic to find fault with the performance from beginning to end. The Aunt Mary conceived by Anne Warner in her novel is merely amusing and eccentric. In the hands of Miss Robson, however, the character becomes simply adorable. It is only once in a great while that the theatre-going public of St. John have a chance of seeing such a play. The laughter in it is so continuous that it sometimes approaches the limit of physical discomfort. It is expected that tonight's audience will be large. The piece will be presented every night this week, with a matinee on Saturday.

TREMENDOUS RUSH AT NICKEL

Though there were counter attractions of an unusual character in town last evening the Nickel was packed to absolute capacity during its three programmes and the tremendous sensation made among musical people on Monday was duplicated. Indeed, many of last night's patrons were patrons of Monday night as well, and all were surprised and delighted. Tonight the Bush Family Quintette and the Nickel Orchestra will amalgamate again in the numbers mentioned in the advertisement and on Thursday the Bush Quintette will have a new list of numbers as follows: (a) Adagio Religioso—Thorne; (b) Nocturne, Opus 9 No. 2, Chopin; and (c) Hungarian Dance—Brahms. Mr. Cairns' Thursday selection will be that old favorite "Aloose in the Deep," with amalgamated orchestral effect. Today the Nickel's picture bill will be changed with the strong Biograph Wall street drama, "With Her Carl," as the feature. Matinee one hour long.

NEW BALL PICTURES AT H. H. H.

Today a brand new programme of both baseball and motion pictures will be shown. The following are the baseball pictures: St. John's 18 with Wagg, Small, Rogers, Parsons, and all the local favorites, Shamrock of '90 with McGrath, Seaton, Morris, Sullivan, and others. Y. M. C. A. '99 with Mitchell, Shaw, Thompson, White and others; Starlight '99 with Oliver Hayes, Henderson, and others; Rosses '99-02 with Shannon, Priors, O'Neill, McLeod and others; Tigers of '95, '96, with Howe, Finamore, Doras, McGoldrick and others; Franklins of '04 with Mills, McGuigan, Atchison, Burns and others; Emeralds '98 with Flispatrick, Morris, Lane, McGill and others; Chicago White Sox with Tip O'Neill; Atlantics of Halifax, '74, and Jack Walsh and Dennis Costigan of the Original Shamrocks. These pictures will only be shown today and tomorrow, as a new lot are ready for Friday and Saturday. A splendid programme of motion pictures will be shown. The Golden Jacket Mine is the best Western picture ever shown at the H. H. H. and the same afternoon started only a Dream, a trick comedy. The Old Servant is also a comedy. Prof. Tullis is singing two very pretty songs, When and Appear Love, at Thy Window.

GEORGE McAVITY IS THE NEW PRESIDENT

The second annual meeting of the New Brunswick Cold Storage Company was held yesterday afternoon at the company's offices, Main street. The main result of the meeting was the election of George McAvity as president of the company. The number of directors from five to seven. The new president of the company is George McAvity of this city, who succeeds R. J. Graham of Belleville.

The new directorate is as follows: George McAvity, St. John, president; J. R. M. Baxter, St. John, vice-president; L. S. McQuinn, Ottawa, secretary; treasurer, John W. Vanwart, St. John; H. R. Ross, St. John; J. H. Graham, Belleville; P. O. Lewis, Ottawa; Hon. D. Y. Landry, Richibucto; and Hon. J. C. Fleming, Centreville, as members of the provincial government.

Reports were presented which showed that the company had had a fairly prosperous year. No new developments in the business of the company are expected.

FUNERAL SERVICE

HELD LAST NIGHT

At the residence of the late Rev. Samuel McCully Black, M. A., D. D., burial services were held last evening. The services were conducted by Rev. A. B. Cohen, assisted by Rev. W. C. Goucher of St. Stephen's. Rev. Mr. Cohen spoke very feelingly of the late Dr. Black, of his good work and excellent service to the church. Frank McCluskey sang, One Sweet Solenn Thought in a very pleasing manner.

The remains will be taken to Amherst this morning, where interment will be made this afternoon at 2:30 o'clock. At the Baptist church at Amherst this afternoon burial services will be conducted by Rev. Dr. E. M. Kierstead of Toronto, who will also deliver a brief address. There have been many funeral offerings from the deceased Dr. Black's many friends.
