## TELEPHONS PUT OUT ANOTHER PEACE FEELER

This Time Count Albert Appony,  
Hungarian Leader,  
is Man Who Sees End of  
War.

Berlin, Nov. 15. (via London, Nov. 15, delayed).—The opening of peace negotiations may, perhaps, be expected with fair prospects of success in the course of the coming winter, according to Count Albert Appony, veteran Hungarian leader and former Hungarian premier. Count Appony, who is visiting Germany, expressed his views to the Associated Press.

Romanian Campaign.  
"We cannot expect," he said, "to see peace negotiations opened within the next few weeks while the Romanian campaign is still undecided. However, I regard our chances for success there as excellent, and once Romania is crushed, I think both sides will be willing to consider the question of peace. Rumania was the Entente's last card, and is proving a losing one. We are massing a big army against the Rumanians, and I think that the end will come soon. Of course our progress on the Transylvanian front is a bit slow."

To illustrate what he regards as the improving changes for peace negotiations, Count Appony referred to recent speeches of statesmen in the opposing camps.  
"Not Lloyd George, of course," he interjected parenthetically, "but such as Lord Grey and Chancellor von Bethmann-Hollweg for example." He suggested a comparison between the utterances of these leaders a year ago and at present.

"Then," he said, "their respective standpoints were as far apart as the poles, but now, although there are still wide differences between them, they have most appreciably drawn nearer."

Riverton, N. S., Nov. 15.—What was a bad accident and what might have had a fatal result occurred recently at Riverton, N. S. A car of slag which he was unloading at the Bureka siding when the horse became frightened and ran along the track with Mr. Reid holding on in an effort to stop him. In the meantime the horse and cart turned upside down on the track with Mr. Reid under the box of the cart and the express train due in two minutes. With some effort he managed to loosen the tail board of the cart and crawled from under the box and finally righted the train.

Mr. Reid received injuries to his legs which will require surgical attention for a few days, but otherwise he is unhurt. He had a remarkable escape.

St. John, Nov. 15.—The crowd of a fishing boat which was passing along the waterfront one night recently heard a woman's cries for assistance. On investigating the fishermen found a young woman stuck in the mud and in danger of drowning in the rising tide. She was almost up to her waist in mud when rescued.

She said that she and a man friend had a quarrel on a wharf, and that the friend threw her over and left.

HAD INDIGESTION  
Could Keep Nothing on  
Stomach.

Indigestion is one of the worst forms of stomach trouble. The stomach becomes upset and you have a raw, debilitated feeling in it.

After a meal you feel that you must get rid of that nasty, bilious, burning sensation; that souring and rising of the food which is so unpleasant and in many cases very painful.

It is not necessary for you to be troubled with indigestion when Burdock Blood Bitters may be so easily obtained. This old and well-known remedy, which is a combination of nature's best roots, herbs, barks and berries will cure indigestion and all stomach troubles.

## ST. JOHN FOLKS AT BIG SHOW IN NEW GLASGOW

Miss Winnifred Ross Exhibits  
Pointer Betty — Thomas  
McCullough is Judge.

Special to The Standard.  
New Glasgow, N. S., Nov. 15.—The poultry and pet stock show under the auspices of the Egerton Poultry and Pet Stock Association was formally opened at the Forum tonight by His Worship Mayor Grant. There was a large number of visitors and a great deal of real enthusiasm. This is the eighth annual show held by this association in Pictou county, and it is by far the biggest and best of the whole series. Never was greater interest shown at any previous poultry show and the exhibits of both poultry and pets were never more varied.

Mr. Sam Eastwood in a brief speech introduced Mayor Grant, who complimented the association upon the success of their eighth annual show. Mayor Grant was followed by Mr. J. P. Landry, head of the experimental farm, Truro, and Serst. Tom McCulloch, of St. John, N. B. It is Thomas McCulloch who is this year judging the dogs. He referred to the superior quality of the different dogs exhibited and said that the exhibit was worthy of any city this side of the Atlantic.

The judging of poultry will commence tomorrow morning by Mr. J. P. Landry. The present exhibit is without doubt the best yet held here and a great deal of credit is due the association. One of the finest dogs in the whole exhibit is a pointer named Betty, owned by Winnifred Ross, of St. John, N. B.

Heavy storm yesterday interfered to some extent with the regular running schedule of the tram cars, and a bad rain resulted in several of the cars being derailed during the day. Not only were tram cars off the track but a locomotive was derailed by the snow at Stellarton Station, entailing considerable delay to the afternoon train for points east.

A. J. O'Neill. The bride was given away by her father and was charmingly attired in a suit of burgundy broadcloth with opium trimmings and hat to match. The bride was formerly employed with the Bank of Montreal. The groom is accountant with the local branch of the Ford Motor Company. Mr. and Mrs. Fewlings, who have many friends in this city, left in the evening for London, Ont., the former home of the groom, where they will spend a short honeymoon. Upon their return they will reside at Mount Pleasant.

ACHING BACK GETS RELIEF QUICK!  
ONE RUB WITH "NERVILINE" CURES

Every Bit of Stiffness and  
Soreness Goes When  
"Nerviline" is Used.

Pain in back or side is awful hard to reach. Deep in the tissue is a congested or strained muscle. It is a long way for a liniment to go. Liniments you have used have not reached it, and the pain bothers you, whether moving or lying down.

What a pity you haven't tried Nerviline! Penetrating, you ask? Yes, and powerful, too. Nerviline strikes in far deeper than any application you have ever used. You might pay

a dollar, ten dollars, a hundred, for that matter, but you could not equal Nerviline, either in strength, quickness of action, or permanency of relief.

If you think this too much to say for Nerviline, try it, and be convinced. If you receive from Nerviline even a little less relief from pain than this advertisement induces you to expect, you can get your money back.

The only pain remedy in the world sold under a guarantee is Nerviline—surely it is safe to try it. Nerviline is sold by druggists everywhere, 25 cents or 50 cents a bottle, or direct from The Catarrh-zone Co., Kingston, Canada.

Washington, Nov. 15.—Announcement last night of the state department's action in inspecting a merchant-charge at Berlin to communicate with the German foreign office on the subject of deportation of Belgians, brought out a flood of inquiries today for details and explanation of the department's action.

Secretary Lansing repeated the department's action as it was set out in last night's despatches and made this statement: "The United States has not made an official protest to Germany, but has suggested to her what a bad effect on neutral opinion, particularly in the United States, such action might have. The instructions to Charge Grew, to discuss the matter with Chancellor Von Bethmann-Hollweg, were sent at the suggestion of the Belgian government."

"The American action was not meant, in any sense, to be a criticism of that German government's policy. We do not know the full facts in the situation, and cannot form a judgment until we have heard them."

THE CHALEUR ARRIVES.  
The R. M. P. steamer Chaleur arrived yesterday morning from Demerara, West Indies, with mails, passengers and general cargo. The Chaleur had a good passage until near the Canadian coast, when the atmosphere commenced to get cold. She brought 11 first, 10 second and 23 third class passengers. The Chaleur also brought several Chinese, bound for Vancouver, B. C. She docked at the Atlantic Sugar Refinery's wharf, where she is discharging 1,500 tons of sugar; she also brought 500 puncheons of molasses as well.

Among vessels in construction in Maine or contracted for are three four-masted schooners for Crowell & Thurlow, to be employed in general cargo and West India trade. The keels of one is being laid in the yard of Cobb, Butler & Co., Rockland, and will be completed in April. Work on another is starting at Townsend's yard, Boothbay Harbor, and another four-master is under construction at the Atlantic Coast Company's yard, Thomaston, and will be ready for launching in March. The builders of the latter vessel are also part owners.

DIVORCE COURT.  
At the adjourned sitting of the divorce court held in Chambers yesterday morning Judge Crockett gave judgment in the case of Pickle vs. Pickle. In this case he gave a decree annulling the marriage. The parties interested belong to Hampton Falls, N. H. Evidence was taken yesterday morning in the case of Lillian Carr vs. William Carr. The parties in this case formerly resided in York County; the petitioner is now residing in the city. Evidence was given by the petitioner. "I beg to inform you that for a long time I had been suffering from my kidneys and consequent pains and stiffness in my limbs. I tried several remedies without success. ## YOUR CHILD'S COUGH

Is it nothing? Is it to be neglected until it leads to that terrible scourge consumption? Peps should be given between winter coughs and colds, and serious consequences. Peps are tablets made up of Pine extracts and medicinal essences, which when put into the mouth turn into healing vapors. These are breathed down direct to the lungs, throat and bronchial tubes—not swallowed down to the stomach, which is not ailing.

Pepe's  
It is a box of Peps for your child, your cough, bronchitis or asthma. All druggists and stores of Peps Co., Toronto, will supply.
