coal by Canada, that he was confident the opinion of eastern Canadians would apopinion of eastern canadians would ap-prove such a policy. At one time there had been much division of opinion, when Nova Scotians thought duty would give them more extended market in central Canada. Experience had shown this mar-ket had not developed as extensively as

ket had not developed as extensively as expected.

Personally he had always hoped to see free trade in coal between Canada and the United States, believing it would be mutually advantageous, but there had been differences of opinion on the subject. Now, however, these differences had all passed away and it was the generally accepted belief that free trade would open up an excellent market in the eastern states for Canadian soft coal.

Sir Frederick was tonight the guest at a banquet of the Anglo-Saxon Union, a local organization formed to promote bet-ter feeling between the branches of the race. Among the speakers was Col. Turner, United States consul general at Otta-

Poctor Borden, replying to a toast, referred to the present friendly relations be tween Canada and the United States. He said while the United States tariff legislation had been injurious to Canada it had not been so intended but he believed had been framed entirely in the interests of the United States without hostility to this country.

ada by developing self-reliance and was building up in this part of the continent United States were ready to enter into a fair and just treaty of reciprocity they would find Canada prepared to deal fairly.

Mrs. Maloney's clothing caught fire from Mrs. Maloney's clothing caught fire from the flames.

body.

A public meeting of the citizens was called tonight by Mayor Black and Warden Nelson, of Co.chester, in the interest of the establishment of a hospital for the town and county. Mayor Black presided, and W. H. Rennie was secretary. The reports showed \$1,343.65 on hand from contributions to the Muir memorial fund, about \$1,000 from the ladies' hospital aid fund, and \$100 from the Page memorial fund. A committee was appointed to carry forward the plan for the erection at an early date of a large modern hospital of non-sectarian nature. In addition to the amounts above, one subscription of \$2,500 was promised conditionally. The building will cost about \$20,000.
