stomach, bowels, liver, and other organs or the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pulls rapidly cure:—

For Byspepsia or Indigestion, Listlessmost, Eanguer and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Complisint and its various symptoms, Bilicus Headdache, Sick Headdache, Jaundice or Green Sickness, Bilicus Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dyssmetry or Diarrhoea, but one mild dose is generally required.

For Etheumassium, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loing, they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear. BEDROOM SUITES, in Walnut, Butternut Bird's Eye Maple, and Pine (painted). the system. With such change those complaints disappear.

For Bropsy and Bropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy. As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and lowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive annaratus.
