THE Northern Pacific Railroad Company had ving determined to close its 730 kirst Mort gage Gold Loan at an aggregate not exceeding the tymillion dollars, and thereafter to pay no higher rate of interest that of er cent on for the results of its bonds, the limited remainder of the 73-10 loan is now being disposed of through the usual agrundes.

As the bonds of this issue are made receivable in payment for the Company's lands at 1-10 they are in constant and increasing demand for this purpose, and will continue to be after the loan is closed—a fact which much enhances their value and attractiveness as an investment.

The Company has more than 500 miles of its road built and in operation, has carned at the continue to mainly ten million acres of its land grent, and sales of lands have thus far averaged \$5.66 per acre.
