—NOTE.—Since the above was received, our friend, so good and true, has entered into rest. We cannot refrain from mentioning to the honored memory of her who was so faithful in the small, as well as the great things, that she stood in the common crowd of humanity, and was aware of who stood nearest to her in the throng. She will long be remembered by her many friends as a loving Christian woman, who occupied the position God has ordained as the dignity of all true womanhood.
