THE MONTREAL TEA COMPANY.
The Whole Dominion should buy their Teas of the Importers,
THE MONTREAL TEA COMPANY,
6 Hospital Street, Montreal.

Our Teas, after the most severe tests by the best medical authorities and judges of Tea, have been pronounced to be quite pure and free from any artificial coloring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profit, effecting a saving to the consumer of 15 to 20c per lb. Our Teas are put up in 5, 12, 15, 20 and 25 lb boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb boxes, two 12 lb boxes, or one 20 or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on the receipt of the order by mail containing money, or the money can be collected on delivery by express-man, where there are express offices. In sending orders below the amount of \$10, to save expense it would be better to send money with the order. Where a 25 lb box would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark each box plainly, so that each party get their own Tea. We warrant all the Tea we sell to give entire satisfaction. If they are not satisfactory they can be returned at our expense.

A YEARS TRIAL.
Montreal, 1868.
The Montreal Tea Company:
GENTS—It is nearly a year since I purchased the first best Tea from your house. I have purchased many since, and I am pleased to inform you the Tea has in every case proved most satisfactory, as well as being exceedingly cheap. Yours very truly
F. DENNIE.

Montreal Tea Co.:
GENTLEMEN—The Tea I purchased of you in March has given great satisfaction, and the flavor of it is very fine. It is a very strange, but since I have been drinking your Tea I have been quite free from heartburn, which would always pain me after breakfast. I attribute this to the purity of your Tea, and shall continue a customer.
Yours respectfully,
FRANCOIS T. GREENE,
54 St. John Street, Montreal.

Montreal, April, 1868.—To the Montreal Tea Company, 6 Hospital Street, Montreal: We notice with pleasure the large amount of Tea that we have forwarded for you to different parts of the Dominion, and we are glad to find your business so rapidly increasing. We presume your teas are giving general satisfaction, as out of the large amount forwarded we have only had occasion to return one box which, we understand, was sent out through a mistake.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous character. Incurable cases of Scrofula, where the system seemed utterly broken up, to corruption, have yielded to this compound of anti-strumous virtues. Disorders of a scrofulous type, and all those which are connected with it, are cured by this medicine. Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt taint of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, or visible forms of the disease caused primarily by the scrofulous infection, the Sarsaparilla is so efficient as to be indispensable. And in the more concealed forms, as in Dyspepsia, Dropsy, Rheumatism, Piles, Eczema, and other affections, and other affections of the muscular and nervous systems, the Sarsaparilla, through its purifying power, removes the cause of the disorder and produces astonishing cures.

The Sarsaparilla root of the tropics does not by itself achieve these results. It is aided by the extracts combined with it, of still greater power. So potent is this union of healing virtues, Syphilis or Venereal and Mercurotial diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. Leucorrhoea or Whites, Chlorine Ulcerations, and Pains in the Genitals in general, are commonly soon relieved, and ultimately cured by the invigorating and purifying effect of our Sarsaparilla. Rheumatism, and Gout, often dependent on the accumulations of extraneous matters in the blood, have their remedy also in this medicine. For skin diseases, such as Eruptions, Eczema, Scabies, etc., caused by rankling poisons in the blood, we unhesitatingly recommend the Sarsaparilla. This medicine restores health and vigor where the system has been debilitated. Its restorative power is soon felt by those who are Languid, Listless, Depressed, Sleepless, and filled with Nervous Apprehensions or Fears, or who are troubled with any other of the affections symptomatic of weakness. Many after taking it for General Debility, have written us of the youthful vigor imparted to their nervous system, which seemed buoyant with that profile life they thought had departed on the advance of age. Others, whose families of life were always sterile, acknowledge their obligations to it for an obvious cause.

Ayer's Ague Cure,
For Fever and Ague, Intermittent Fever, Chills, Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.
As its name implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe that it is parallel in the history of medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Uncleanly persons, who reside in, or travelling through miasmatic localities, will be protected by taking the AGUE CURE daily.
For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.
Prepared by DR. J. C. AYER & CO., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

PARTICULAR NOTICE

The undersigned is desirous of securing the services of active persons in all parts of the Dominion, to act as Local or Travelling Agents for the sale of his celebrated SEWING MACHINES. A very liberal salary and expenses will be paid, or commission allowed. Country Merchants, Postmasters, Clergy men, Farmers, and the business public generally, are particularly invited to give this matter their attention, as I can offer unparalleled inducements, and at the same time the cheapest as well as the best SEWING MACHINES now before the public.

I desire to place my Sewing-Machines not only in the mansions of the wealthy, but in the 'humble cottages' of the poorer classes (who most need Machines), and the prices are such as will come within the reach of all. If costly Machines are wanted, I furnish them. A glance at the styles and prices cannot fail to suit the most fastidious. But good faith and the advancement of my patrons' interests require me to say, that so far as respects the practical uses of a Sewing Machine, it is only necessary that purchasers should exercise their preference as to the style they want or have the means to purchase.
