## A LIST OF THE MAPS.

- 1.—A General Map of the Routes in British North America explored by the Expedition under Captain Palliser, during the years 1857, 1858, 1859, 1860. Compiled from the Observations and Reports of Captain Palliser and his Officers, including the Maps constructed by Dr. Hector and other authentic documents.
- 2.—Geological Sketch Map of the South-east of Vancouver Island, and part of the coast of the Gulf of Georgia; with sections and a view to illustrate Dr. Hector's Report.
- 3.—Geological Sketch Map of Nanaimo in Vancouver Island; with three sections to illustrate Dr. Hector's Report.
- 4.—Plan of Nanaimo, showing the Coal Mines, from records and surveys of the Hon. Hudson's Bay Company, and original observations by C. S. Nicol, Manager, and Dr. Hector.
- 5.—General Section. Vancouver Island to York Factory, Hudson Bay, 1,150 miles. Diagram Section of the Prairies, Hudson Bay to Rocky Mountains, 1,100 miles.
