

The Durham-Duplex Razor Company, Limited

Announce that they will be pleased to send to any Returned Soldier in Canada one Durham - Duplex Demonstrator Razor. This gift is made without reservation and there is no obligation to the recipient in any way.

This Razor, including One Double-edged Blade, Ready for Use, Sent FREE TO ANY RETURNED SOLDIER in Canada

This Durham-Duplex Demonstrator Razor, distributed in this way, will serve a useful purpose and bring the comforts of a smooth, clean shave to the "Boys Back from the Front." The Duplex Feature will enable them to use it as an open blade razor with the advantage of interchangeable blades which can be stropped. By attaching the guard the razor is made absolutely safe. However used, the construction insures the correct diagonal stroke — thus the distinction between shaving and scraping.

Write name and address plainly, giving name or number of Battalion. Requests will be filled in order received by the Toronto Office of the Durham-Duplex Razor Co., Limited, 43 Victoria Street.

This offer applies only to the Durham-Duplex Demonstrator and not to the Durham-Duplex Domino Set on sale in the stores.

The requests of all readers of this announcement will be filled as promptly as possible, no matter whether they consist of one or several names. Be sure to give battalion number in each case.

Durham-Duplex Razor Co., Limited, 43 Victoria St., Toronto
