according to J. Paul Lorden. He said the Association is an independent one which came into being in October of 1974. He said that the association has been attempting to deal with the UNB Administration for the past 3 1/2 Associations actions.

The aim of the association is to look at salaries, fringe benefits and such with respect to the members of the organization.

According to John McLaughlin, Lorden said the unionization of spokesperson for the UNB tion professors have only become concerned with unions in the past two months. "They didn't think about it much before" he said.

> He said the AUNBT "came along and the Engineering and Forestry faculties didn't want to unionize. He said they then discovered it was difficult to prevent the union from forming, and that their only option was to form their own union.

McLaughlin said he "Didn't like AUNBT's attitude, and that the general feeling seems to be that they are setting up a parallel organization, and its just another level of beaucracy.

He said that members of his organization believe in voluntary certification and a voluntary union. "We don't believe professors should go on strike" he said.

McLaughlin said that they did not want to see a split between the university and the professors. "The professors have a lot of

freedom now" he said, and felt that the university and professors should make decisions jointly.

Vice president of finance and administration James O'Sullivan would have the administration's outlook but was at a meeting and could not be contacted.

### NOTICE TO STUDENTS

The Beard of Deans, which is responsible to the Board of Governors for disciplinary matters, has instructed me to bring this notice to the attention of all students. STUDENTS ARE MEMBERS OF SOCIETY, AND NO MEMBER OF SOCIETY IS ABOVE THE LAW.

#### THEFT

The Board of Deans is concerned about several recent reports of theft of university property, and the property of individuals on campus, by students. It wishes to issue a clear warning that students, or others, found removing or in unauthorized possession of University property, including signs, furniture and other articles, or the property of individuals, may have criminal charges laid against them. This applies also to theft from the campus bookstore, or from lessees operating businesses on campus.

Conviction, even for the theft of minor articles, results in a criminal record which can have serious consequences in terms of careers. For example, a criminal record may be an obstacle to entry to the United States or other countries, and may prevent

the holder from entering the Federal Civil Service. The Board of Deans is aware that these acts are committed by only a few students, but trusts that this warning will prevent those few from endangering their careers by thoughtless, and usually silly thefts. STEALING OF ANY KIND WILL NOT BE REGARDED AS A PRANK.

The removal of traffic signs, in addition to being an act of theft, is a cause of danger to others and will be treated as a serious matter.

#### DISORDERLY AND ROWDY CONDUCT

The Board of Deans also wishes to issue a clear warning that it will not tolerate disorderly or rowdy conduct, or bullying behaviour on campus.

Evidence of such behaviour may lead to disciplinary action, even to a recommendation for expulsion from the University. The rights of others must be respected

#### VANDALISM

Damage to University property, and to the property of other people, will also be treated as a serious offence, and if evidence is sufficient, charges may be laid.
