The Bumswickan is in its 1000th year and is Canada's stupidest, and most downtrodden oldest official student publication. The Bumswickan is published whenever we get around to it, by the UNB SRC Inc. Its offices are located in the Social Club, third floor of the SUB, UNB, P.O. Box 4400, Fredsville, N.B. E3B 5A3. Printed at the Dairy Creamer in Fredsville. We interrupt this program to bring you this flash bulletin. "The Bumswickan is now censoring all letters, cartoons, articles, columns, advertisements, headlines, photos, periods, semi colons, page numbers, little bits of paper lying on the floor, and we just wanted to let you know before you wasted anytime sending this stuff to us." We return you now to our regularly scheduled program. Opinions expressed in this paper are ours, ours and only ours and we're proud of it. Articles may be freely printed provided that a blank, signed cheque is sent to the Bums.
