

# The Great North Western Telegraph Co.

OF CANADA

It is agreed between the sender of the following message and this Company, that said Company shall not be liable for damages arising from failure to transmit or delivery or for any error in the transmission or delivery of an unrepented telegram, whether happening from negligence of its servants or otherwise, or for delays from interruptions in the working of the lines, for errors in cypher or obscure messages, or for errors from illegible writing, beyond the amount received for sending the same. In case of errors against errors, the Company will repeat back any telegram for an extra payment of one-half the regular rate, and in that case it shall not be liable for damages beyond fifty times the amount received for sending and repeating. Correctness in the transmission of messages can be insured by contract in writing, stating agreed amount of risk, and payment of premium thereon at the following rates, in addition to the usual charge for repeated messages, viz.: one per cent. for any distance not exceeding 1000 miles, and two per cent. for any greater distance. This Company shall not be liable for the act or omission of any other Company, but will endeavor to forward the telegram by any other Telegraph Company necessary to reaching its destination, but only as the agent of the sender and without liability therefor. The Company shall not be responsible for messages until the same are presented and accepted at one of its transmitting offices. If a message is sent to such office by one of the Company's messengers, he acts for that purpose as the sender's agent; if by telephone, the person receiving the message acts therein as agent of the sender, being authorized to assent to those conditions for the sender. This Company shall not be liable in any case for damages, unless the same be claimed, in writing, within sixty days after receipt of the telegram for transmission. No employee of the Company shall vary the foregoing.
