THE GENERAL  
REFORM ASSOCIATION  
FOR ONTARIO

CONFIDENTIAL

36 TORONTO STREET

*Toronto*, Sept. 3rd, 1918.

Hon. W.L. Mackenzie King,  
Ottawa, Ont.

Dear Mr. King:-

As we are again approaching that period of the year when our annual meeting takes place, some of the members of our Executive have expressed the opinion that a meeting of that body should first be held to consider what should be done under existing circumstances. In addition to this there are some other matters that might engage the attention of the Executive. You are aware, of course, that there was no annual meeting last year on account of the Federal General Elections.

At your earliest convenience, therefore, I would be glad if you will favor me with your views regarding a meeting of the Executive. Some of those who have spoken to me are of the opinion that such a meeting might be productive of favorable results.

Hoping to hear from you soon

Faithfully yours,

*W. H. Adams*  
GENERAL SECRETARY.
