Ottawa,
June 25, 1940.

Dear Mrs. Muir:

I have your letter of June 24th
which I have read very carefully indeed.

It looks as if some better
prospects existed now for using specially
qualified people, and I sincerely trust
some place will be found for you. You are
entirely at liberty to use my name as a
reference in your communications with the
Government.

Yours very truly,

Mrs. Norma Phillips Muir,
82 Jane Street,
Toronto, Ont.
