

14. Considered upon the basis of unemployment relief, the ratification of the St. Lawrence Deep Waterway Treaty--bringing into effect as it would a Canada-Ontario St. Lawrence Agreement -- would initiate the following expenditures in Canada: (Partly dependent upon Ontario's acceptance of a Canada-Ontario St. Lawrence Agreement).

Cash Payment by Ontario	\$67,202,500.
Cash Expenditure by Ontario direct for Power Housing and Machinery Equipment	36,931,000.
Cash Expenditure by United States through International Commission for Canadian Engineers, Labour and Material	54,718,000.
<u>Net Cash Expenditure by Dominion ..</u>	<u>38,071,500.</u>
Total	<u>\$196,923,000.</u>

Note:- There is attached as Appendix VIII a brief memorandum dealing with the St. Lawrence Deep Waterway "Considered upon the basis of Unemployment Relief".

15. Establishes Canada's unquestionable right to half of the total flow available for power purposes in the International reach of the St. Lawrence river.
16. Provides complete agreement between Canada and the United States for the development of the 2,000,000 h.p. in the International reach of the St. Lawrence river.
17. Provides for the location of Canadian power houses at Chrysler Island and at Barnhart Island in Canadian territory so that no adjustment of the International boundary is necessary.
