Ottawa, 27th September, 1910.

Sir,-

I am in receipt of your letter of the 17th instant in which you state that the Indians of the Pas Band desire to purchase a "steam winch" for the purpose of hauling logs from the river to be sawn at their mill; and in reply I may say that I note your remarks that the steam winch of the "S.S. Cumberland" is for sale for the sum of \$150.00, which article the Indians desire to have purchased. I have to inform you that if the winch referred to is in good condition and if you consider it worth the money asked for it, you may make the purchase.

Your obedient servant,

Secretary.
