NIAGARA AIR SERVICE

Oct. 7th, 1947.

District Inspector, Air Regulations,  
Civil Aviation, Dept. of Transport,  
1 Montgomery Avenue,  
Toronto, Ontario.

Dear Sir:

In pursuance of our conversation over the phone on Oct. 6th, 1947. I wish to report that due to a fire that destroyed the hanger at my airport on Sunday morning Oct. 5th, 1947, all four of my planes, to wit, CF-EUV, CF-EBM, CF-DRT, CF-DGW, were destroyed.

I intend as soon as the investigation is complete, (which I expect will be within the next few days) to continue to operate.

Sincerely Yours,

(Sgd) Peter Gampel
