

# LASTING AS LIFE

## ARE THE CURES MADE BY

# BURDOCK BLOOD BITTERS.

**I**N presenting the claims of Burdock Blood Bitters to you in this Almanac, we desire to point out the *wonderful permanency of the cures* this remedy has made. We believe there is no other medicine can show such a record of cases, where, after years—in some cases *ten and twelve years*—there has been no return of the disease.

Any one who reflects for a moment can readily see that such magnificent results, such lasting cures can only be produced by a remedy possessed of *true merit*.

It is because Burdock Blood Bitters reaches down to the *very roots of disease*, gets at the origin and source of the trouble, and thoroughly eradicates it from the system, that it can proudly and justly boast of *more permanent cures* made, than any other medicine in existence.

The remedy that can stand the test of time is the only one worth taking.

Burdock Blood Bitters not only gives *prompt and effective relief*, but it makes a cure so thorough-going in its nature that it is a well recognized fact that when B.B.B. Cures, *you're cured to stay cured*.

There is nothing mysterious about the way in which B.B.B. works to bring about such salutary and satisfactory results. Its action is along two distinct yet closely allied lines.

In the first place, by means of its action on the *Liver, Kidneys and Bowels*, it causes to be carried off from the system all the waste, poisonous and effete materials, which have been corrupting every organ and tissue of the body and propagating disease. And in the second place, by its action on the *Stomach*,

putting it in condition to receive and digest food properly; and by its specific action on the *Blood*, purifying it, and introducing into it those vital elements necessary to make it rich, red and life-giving—it builds up and nourishes the whole fabric of the body.

Thus we have summed up in two words—**PURIFYING**—getting rid of the cause of disease, and—**NOURISHING**—building up the system weakened by disease—the secret of the disease-conquering power of B.B.B., and the reason its cures last as long as life.

The following are some of the diseases relieved and cured by Burdock Blood Bitters:—

### Diseases resulting from Impure Blood:—

Boils, Pimples, Blotches, Sores, Ulcers, Abscesses, Tumors, Scrofula.

### Diseases resulting from Thin, Watery Blood:

Anæmia, Chlorosis, Pale and Sallow Complexion, Rickets, &c.

**Skin Diseases:** Eczema or Salt Rheum, Shingles, Tetter, Ring Worm, Scald Head, &c.

**Stomach Disorders:** Dyspepsia, Heart Burn, Water Brash, Nausea, Catarrh and Ulcer of the Stomach.

**Liver and Bowel Troubles:** Constipation, Bilioussness, Sick Headache, Jaundice.

**Kidney Disorders:** Lame Back, Dropsy, Rheumatism, Gravel, Sediment in the Urine, &c.

**General Disorders:** Loss of Appetite, Weakness, General Debility, Loss of Vigor, Spring Tiredness, &c.

We only ask that B.B.B. be given a fair and faithful trial, and we are confident no one will be disappointed with the results.
