## THIS FREE BOOK WILL ASTONISH YOU

OUR BOOK, "RURAL TELEPHONE," tells all about the telephone business—how to organize Rural Lines, how to organize and incorporate a Telephone Exchange Company; gives examples of ordinances; outlines constitution and by-laws; instructs how to find locations; shows how to get contracts; contracts, selection of equipment and maintenance of line. In fact, it tells you all and everything you want to know about organizing, installing and operating rural telephone systems. The instructions are simple and non-technical; you and your help can do the work.

This book was compiled and printed at a cost of more than \$20.00 and could be easily retained for \$5.00 each. If you are a progressive farmer you will find it worth many dollars to you. We send it free.

You will be astonished to learn how little it costs to establish a telephone system in your locality—no previous experience in this work is necessary.

We make and sell Rural Telephones. We are strictly independent manufacturers. We belong to no Trust or Monopoly. We help you organize a company and construct the lines in your neighborhood. We refer you to any Bank in Chicago as to our financial responsibility and our methods of doing business. We want to be acquainted with you. Take the lead in your community and write for our FREE book today. You won't regret it.
