

MONTHLY NOTES.

The Special Synod Committee appointed to deal with the "floating" debt of the Cathedral Chapter has completed its labours, having raised enough to pay about \$3,000, for which sum the Chapter is legally discharged from liabilities of about twice that amount. While we fully recognize and appreciate the efforts of the Special Committee, and consider that the Chapter is much indebted to them for their services, we cannot congratulate the Diocese on the result of the Committee's two years' work, which it is impossible to regard as honourable to the Church and its members in this Diocese. Every member of the Church, whether he chooses to recognize the fact or not, is responsible for the debts of the Cathedral Chapter, a liability which would be entirely cleared off, principal as well as interest, within a very few years if there were as general a response to the Bishop's quarterly envelope scheme as His Lordship has a right to expect. As a striking contrast we cannot but notice the action of the Methodists, who within two weeks, raised \$10,000 for the relief of one of their Churches heavily burdened with debt, which has no claim whatever, other than denominational sympathy, upon any member of their body except those of its own congregation.

The Synod Service was held in the Cathedral on Tuesday evening, 14th June, with a rather larger attendance than last year.

The Bishop and Mrs. Sweatman held their usual Afternoon Reception at the See House in Synod week, which was more largely attended than usual.

THE SCHOOL.

The proposal to have games was taken up too late to enable much to be done, so that the affair was confined to the boys of the school, there being thirteen events. The chief prize winners were Ronald Hilton and D'Arcy Hilton.

The closing of the school for the summer vacation took place on Monday, 27th June, when prizes were given, the Bishop donating a prize for general proficiency, awarded to Llewellyn Roden in the Third Book class, and Bryan Chadwick in the Second Book; Ronald Hilton obtained a prize for drawing, and Dudley Roden one for map drawing. After the closing Mr. Matthews entertained the boys at Wychwood.
