

BOYS FOR FARM HELP!

The managers of DR. BARNARDO'S HOMES desire to obtain good situations with farmers throughout the country for the boys they are sending out from time to time from their London Homes. There are at present nearly 3,000 children in these Homes, receiving an industrial training and education to fit them for positions of usefulness in life; and those who are sent to Canada will be selected with the utmost care, with a view to their moral and physical suitability for Canadian farm life. Farmers requiring such help are invited to apply to

—THE—
**DUPLEX
CORN**

—AND—
FEED MILL

Is the best Mill in the world. Why?

BECAUSE—
1st.—It is provided with a double set of grinders or burrs, for which reason it is called the Duplex.

2nd.—It is the only Mill in the world that grinds on both sides of the revolving burr at the same time.

3rd.—It has a grinding surface just double that of any other Mill of equal size, and can, therefore, do twice as much work.

4th.—It will grind any kind of grain or corn and cob equally well, and will produce meal of any desired quality—coarse, medium or fine.

5th.—It has a positive force feed, gradual reduction plates, a continuous frame, and grinds ear corn and all small grains with equally good results.

Every farmer should have one. It will pay for itself in a few months. For further particulars address
