SIZE OF WALLS, 45 x 64 x 10 FEET, 12 INCHES THICK. BUILT WITH THOROLD CEMENT.

TO THE PUBLIC: INGERSOLL, JULY 26, 1901.
Mr. Robert Taggart, of Woodstock, contractor, built concrete walls and roof-house (11 x 28 feet) for my barn. The heavy frame was raised Tuesday, July 16, 1901, without a single crack occurring in the walls. Size of barn walls, 45 x 64 x 10 feet, 12 inches thick. **THOROLD CEMENT** was used in the walls, and I intend to use it in my floors. My job is considered to be the best in Oxford county. About 100 yards of gravel and 85 barrels of cement were used.

Will You Spend a Penny
For a Sick Friend?

Here is my proposition. I have written the six books shown below. I want no money. I simply desire the privilege of sending the book needed to some one who is not well; I will do more: To prove my faith in my newly-found principles of curing the sick, I'll send you an order on your nearest druggist for six bottles of Dr. Shoop's Restorative. I will let you or your friend take it for a month, and if it succeeds he will charge you \$5.50 for it. If it fails, your druggist will send the bill to me. I will tell him to trust to your honesty, leaving the decision to you. You will know then what my Restorative can do. My Restorative will gain your good-will and endorsement under such a trial.

No physician ever has or ever will, I believe, make an offer like this—my remedy is the only prescription yet found to stand a test like this.

And I do exactly as here stated. No catch. No deceit. You deal with your own druggist, who may be your neighbor and a stranger to me. The plan protects you absolutely.

You will see this offer published in every high-class magazine and widely-circulated paper in America, and here lies the proof of my success. My records show that 39 out of each 40 who accepted the six bottles paid for them. They paid because they were cured. There are 39 chances in 40 that I can cure you. Is not this a remarkable offer? Is not the record of cures even more remarkable? I fail sometimes, but not often. A few of these diseases arise from causes like cancer, for which, as yet, no man knows a cure.

And how do I accomplish this? I will tell you. I have found a way to strengthen the inside nerves—the only way yet known. These nerves alone operate each vital organ. The Heart, Stomach, Kidneys, etc., each have their nerve branch. The power that makes each organ do its duty is the inside nerve power—nothing else. I know how to restore that power. No matter which organ is weak, this nerve system operates them all. Nerve strength or weakness extends to all.

My Restorative goes directly to this cause—these nerves. That is the secret of my success. Don't let prejudice keep you from learning what my books will tell you. They are practical books, written for intelligent people. I am not appealing to ignorance, and I wish to discourage prejudice. No matter what your doubts, remember I have spent a lifetime on my method, and it is unknown to you. I cannot call personally upon seventy-six million of people; then I must tell you of my offer through the papers you read.

The telephone, the telegraph, the wonders of electricity have been solved by man. May I not have found a way to do as much for human ills?

Thousands who are sick will read this—who are discouraged because of others' failures to cure them. That is no reason why they should not get my book. You cannot know too much about ways to get well when such ways can be tried at my risk. This offer is too fair to need argument. Won't you spend a penny for a sick friend? Write a postal to-day for the book he needs. Your reward will come in knowing that you opened the way to a cure.

Simply state which book you want, and address Dr. Shoop, Box 52, Racine, Wis.

Book No. 1 on Dyspepsia.
Book No. 2 on the Heart.

Mild cases, not chronic, are often cured by one or two bottles. At all druggists.
