om

GOSSIP.

Mr. Jas. A. Russell, Precious Corners,
Ont., writes: "The demand for good
Yorkshires has been active, but we have
yet some extra choice sows safe in pig
for sale. The boars offered are good,
and fit for service. The pigs adver-
tised, eight weeks old, are an extra good
lot. Have over 100 to choose from,
sired by boar bred from imported sire
and dam, which was a winner at the
large shows. All the sows and boars
advertised are lengthy, deep, and
smooth."

The sale of Shorthorns from the herd
of Mr. Geo. Bothwell, Nettleton, Mo.,
held at Chicago, April 4th, was very
successful, and was notable for the prices
realized for two young bulls, which aver-
aged \$1,660. The 44 head disposed of
brought an average of \$497.50. The
highest price of the day was \$1,710,
paid by Geo. Harding & Son, Waukesha,
Wis., for the red-roan two-year-old bull,
Nonpareil of Clover Blossom 153672,
the first-prize yearling and junior cham-
pion bull at the International Expo-
sition, Chicago, last December. Non-
pareil Hero, the first-prize bull calf
under a year at the same show, a 19-
months' red-roan, was sold for \$1,610
to H. Hagenfeldt, Storm Lake, Iowa.
Messrs. Harding secured the second
highest female, Imp. Collynie Wimple, at
\$1,105.

E. F. Park, of the firm of John Park
& Son, Burgessville, Ont., breeders of
Cotswold sheep, writes the firm will
show separately this year. The Cotswold
crop of lambs by Imp. Swanwick show
grand quality and covering. Will have
some good shearing rams to head
flocks. E. F. Park, who for a number
of years has had the care of the Cotswold
Hill flock, will have out a show
string made up of the same stock as
those that have won so many prizes in
recent years in the hands of the old
firm.

AYRSHIRES AT CASTLE-DOUGLAS.

At the annual show at Castle-Douglas,
on April 3rd, the tops of the classes of
Ayrshires were very good, and the
quey stirks were extra good. In the cow
class, the milk lot were led by Mr. Wm.
Murray, Burrowness, with his black-and-
white cow which formerly won. She
has a beautiful vessel and teats; she
was bred by Black Prince of Knockdon,
and her dam was first here two years
running. Dr. C. M. Douglas, of Auch-
lochan, Leshanagow, was second with
Maid of Ardyne, the cow which Mr. An-
drew Mitchell showed so successfully
last year. Mr. Andrew MacKie, Aitch-
ison's Bank, Annan, was third with
Dandy, a very good useful animal like
giving milk. Mr. John McDonald, Kel-
ton Mains, was commended with a good
sort of dairy cow. In the class of cows
in calf, Dr. Douglas was a clear first
with Mary of Burnhouses, the £100-
heifer of last year, looking extra well,
and shown in the best of bloom. Messrs.
A. & W. Kerr, Old Graitney, Gretna,
were second and third with a couple of
good cows. The second is the white
cow which was first here last year as
that was second last year in Ayr Derby.
The three-year-old queys in milk were
led by Mr. Wm. Murray's heifer by
Punch Bowl, and showing useful vessel
and teats. Mr. Wm. Smith, Low Ark-
land, was second with a grand stump
of a dairy cow, and Mr. McDowall, Kel-
ton, was third. In the same class in
calf, the Messrs. Kerr were first and
third. The first was sired by Lord Bute
out of the Juniper cow bought for 30
guineas at the Burnhead sale. The third
stood second in Ayr Derby the year of
the Castlehill sale, and the sire of this
quey is a son of Peter. Second prize in
this class went to Sir Mark J. McT.
Stewart, M.P., for a quey by Prince
H. of Knockdon, out of the noted
Hoover-Blink of Burnhead. The two-
year-old heifers were a very fine class.
Messrs. Lindsay, Carsgown, and Mr.
And. Slater, Partburn, had a tie for the
first place. The Carsgown heifer was
placed first. She is white and brown in
color, and a nice, stylish animal. Mr.
Slater's was second. Yearling heifers
were a fine class, and Sir Mark J. McT.
Stewart was first and second with a
pair by General Hunter, a bull bred at
Foulton, which seems to be breeding
very well. The first is a marvellously
sweet, well-finished animal, showing
style in head and neck, and great prom-
ise below. Her dam was Stately Maid.
Messrs. Lindsay were third with a right
good sort of a thoroughly sound color.
In a superior class of two-year-old bulls,
Mr. Slater was first with the stylish
bull, Nonpareil, which won at Dum-
fries, Kirkcudbright, and Dalbeattie, as
a stirk. He is like breeding useful
stock. Messrs. Lindsay were second
with a dark-colored really good sort.
Mr. Homer Young was third with a bull
of good, fleshy proportions, mostly
white in color. Sir Mark J. McT.
Stewart was first and third with a pair
of promising bull stirks got by Zeroma,
the bull which took second at Kilmar-
nock, where he was purchased from Mr.
Thomas Barr. Messrs. Lindsay, Cars-
gown, had the second, a typical Ayr-
shire, and a good sort.—Scottish Farmer.

"VIGILANT" NEST

SLIDING—ADJUSTABLE
(Patented Can. & U.S.)
The only nest in the
World which positively
prevents hens from eat-
ing their eggs.
Simple—Effective—Durable
