

Afflicted for years with a Diseased Liver.

Mr. L. R. Devitt, Berlin, Ont., better known, perhaps, as "Smallpox Ben," has used

MILBURN'S LAXA-LIVER PILLS

He has also used them for his patients when nursing them, and it is a well-known fact that small-pox sufferers must keep the bowels well regulated.

Read what he says:—"I have been afflicted for years with a diseased liver, and have tried all kinds of medicine, but of no avail until about four years ago I tried your Laxa-Liver Pills, and got instant relief. Since then I have nursed different patients afflicted with small-pox, and in each case I have used your valuable pills.

"My wishes are that all persons suffering with stomach or liver troubles will try Milburn's Laxa-Liver Pills. I will advertise them whenever and wherever I have an opportunity and I hope that if at any time I cannot get the pills, I will be fortunate enough to get the formula."

Milburn's Laxa-Liver Pills are 25 cents per vial or 5 vials for \$1.00, at all dealers or will be mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

Centre and Hillview Holsteins

125 head to select from. 35 in the R. O. M. Stock bulls Bonheur Statesman, high official backing, and in close relation to Colantha 4th's Johanna; Brookbank Butter Boy. All nearest dams over 20 lbs. J. A. CASKEY, MADOC, ONT.

DON'T Buy a HOLSTEIN BULL till you get my prices on choice goods from 14 months to 1 month old, from best producing strains. "Fairview Stock Farm." FRED ASBOTT, Harri-tsville, Ont.

According to all accounts, the arrival of the Cameron Highlanders in Pekin to replace the Middlesex Regiment as legation guards has created something of a sensation among the inhabitants. The kilt is a source of great wonderment. The China Times asserts that the natives are hard at work trying to assimilate the Scotch language. "They are reported as already making favorable progress. Instead of their favorite expression, 'me no savvy,' they now employ 'I dinna ken,' and they greet the foreigners with 'Guid manin!'" with an excellent Auchtermuchty accent." It is added that some Chinese compradores, who are men of an inquisitive turn of mind, want to know "what for new soldier man catchee cloths allee same missis?" which recalls the story of the Russian Crimean veteran who declared that the best fighters in the British army were the women!

and Saskatchewan very nearly equals one-half of the total irrigated area of the United States. The irrigated area of Southern Alberta alone is greater than twice that of the State of California, and over a million acres in excess of the irrigated area of the State of Colorado. Southern Alberta, therefore, within a few years promises to become the greatest irrigating district on the continent of America.

GOSSIP.

Fyvie Knight, grand champion steer of the recent International Live-stock Exposition, fitted and shown by the Purdue (Indiana) University and sold by us to The Fair of Chicago, at 26½c. per lb., and put on exhibition down-town, was slaughtered by Armour & Co., and yielded 68.56 per cent. of beef, while the hide weighed 98 lbs. This steer weighed 1,575 lbs. just before slaughtering, and dressed 1,112 lbs. (warm weight), and the carcass weighed 1,090 lbs. after being chilled twenty-four hours. The steer passed federal inspection without question, and the carcass was very smooth and of fine appearance. The animal proved to be one of the best dressing steers that has ever gone through the International Show, and beef experts say undoubtedly presents a better carcass than any previous grand champion, as there is very little waste fat about it.—Chicago Live-stock Report.

CUMBERLAND CLYDESDALES FOR CANADA.

Mr. John Kerr, Red Hall, Wigton, last month sold to Mr. T. J. Berry, of Hensall, Ontario, four valuable stallions and one mare. The first of these is an immense big three-year-old horse called Balladoyle (13967). He has great flat bones, and all other requirements wanted. He is by the big-sized, good-moving horse Speciality (11547), that had the Perthshire premium in Scotland two years ago. He has left good stock in Cumberland all the other years he travelled. Some of his gets have won prizes in England, Scotland, and Ireland, including the Royal. Balladoyle's dam, Blossom of Red Hall (12524), was a big, good mare that won first prizes at the County Show, Carlisle, also at Wigton, Whitehaven, Aspatria, Silloth, Penrith, Irely, and Brampton, for several years. Another of the horses shipped is Matchless (14270), a two-year-old, by same sire as above. He also will grow into a horse of great size. He has tight movement. His dam was the very good mare Darling II. of Red Hall (19759), a mare that won a large number of first prizes at the Cumberland shows. Her dam, Darling of Red Hall (12523), by the good breeding Darnley horse, Gartsherrie (2800), was the dam of several good stallions and mares that have done well. The third is Lord Rennie, a two-year-old, of compact build and good movement. His sire is the good breeding horse, Lord Graham (11404), a son of the champion sire, Lord Lothian (5998); dam, Lady Kyle (15757), by the noted King of Kyle (10213); and his grandam was Gallant Princess (14016), by Gallant Prince (10552). He goes back to the noted Queenzieburn mares that won so many prizes in their day. The next two-year-old colt is Lothian's Type (14256), a son of the noted sire, Lothian Again (11804), that most people thought should have won the Glasgow prize, and that had the Dalbeattie premium for two years, when he left a lot of extra good stock there. He has since travelled in Cumberland to great profit. His stock very much resemble those left by his celebrated g-gr-sire, Darnley (222). Lothian's Type is of a beautiful dark color, and has splendid action and gaiety. He got first prize as a foal in open class at Dalbeattie, beating several winners, and won as best foal by premium horse as a yearling. He won in a good class at Carlisle. The filly shipped is Lothian Again's Daughter, whose sire is indicated in her name. She has won many prizes in Cumberland when in the hands of her breeder, Mr. Ismay, Wavercroft, Wigton. She is like a prizewinner in any company, and Mr. Berry is well pleased both with her and the stallions he has purchased. Mr. Kerr keeps big, good horses, with sound feet and legs and close action, and when visitors come his way they go away satisfied.—Scottish Farmer.

REX Sugar Food

A FATTENER AND A CONDITIONER.

Hundreds of farmers and breeders in Canada to-day are using our Rex Sugar Food.

Rex Sugar Food is giving them the results, they are repeating their orders, that is the best evidence that it is giving them satisfaction.

Rex Sugar Food will be the standard preparation in another year for topping off fat stock just before they are sold when the farmer or breeder has once tried it.

Rex Sugar Food was examined by Canada's best analytical chemist; we published his letter, and it was his opinion from a scientific standpoint. We want yours from a practical demonstration.

Rex Sugar Food has in it the results that you want, and you can get them if you will give it a fair trial by feeding it according to directions and common sense.

Rex Sugar Food is not made from the sweepings and tail-ends from around a mill, but every ingredient has a special value in fattening or conditioning an animal.

Rex Sugar Food is not a stock food in any sense of the word, it is in a particular class all by itself. It will have many imitations, but it will never have an equal.

Rex Sugar Food is never sold in bulk, only in three-sized bags: 10-lb., 25-lb. and 50-lb. bags, and it is 10c. per pound, no more or no less, and it is worth it. If you cannot get it from your dealer, write to us direct, and we will send it to you freight paid.

The Rex Sugar Food Co., Weston, Ont.
