

PEDIGREED BARLEY FOR SALE.

I have 500 bushels of Pedigreed Duckbill Barley for sale.

The stock from which my grain was grown has been carefully selected each year for the last twenty years. It is a heavy yielder; should average from 45 to 60 bushels per acre on soil suitable for barley growing; have known even larger yields. The grains are large and plump, straw abundant, stiff and bright. No more apt to lodge than any other wheat. It is an upright grower; will outyield six-rowed or any other variety of two-rowed barley on same land from 5 to 10 bushels per acre. Is far superior to any other variety of two-rowed or six-rowed barley in both straw and grain, also for feeding purposes. English experts have reported it an excellent malting variety. Single bushels, 80c. per bushel. In ten bushel lots, 70c. per bushel. Twenty-five bushels and over, 65c. per bushel. Bags 20c. each. All grain put free on board C.P.R. or G.T.R. Cash must accompany all orders. Address H. H. SPENCER, Brooklin P.O., Ontario Co., Ont. 328-c-om
