"All I know about good or bad luck," says Josh Billings, "is that the good luck we attribute to our shrewdness; our bad luck, we charge over to somebody else's account."

Dr. Pierce's "Pellets"—little liver pills (sugar-coated)—purify the blood, speedily correct all disorders of the liver, stomach, and bowels. By druggists.

Teacher—"Did I not tell you to be prepared with your history lesson? And here you are unable to repeat a word of it?" Scholar—"I didn't think it was necessary, sir; I've always heard that history repeats itself."

Set back 42 Years. "I was troubled for many years with kidney complaint, gravel, &c., my blood became thin; I was dull and inactive; could hardly crawl about; was an old worn out man all over; could get nothing to help me, until I got Hop Bitters and now I am a boy again. My blood and kidneys are all right, and I am as active as a man of 30, although I am 72, and I have no doubt it will do as well for others of my age. It is worth a trial.—(Father)—Sunday Mercury.

Religion is not good for much unless it gets down into a man's pocket. Head religion and heart religion are not rare; but pocket religion is uncommon. When Wesley was told of the conversion of a rich man his first question was, "Is his purse converted?"

"How a Life was Saved." Those suffering from kidney disease or other affections of urinary organs, should send one postage stamp for a little book with above title, giving a history of many wonderful cures of kidney and bladder affections. Address DAY KIDNEY PAD CO., Buffalo, N. Y.

A gentleman was complaining on Change that he had invested rather a large sum of money in Wall street, and lost it all. A sympathizing friend asked him whether he had been a bull or a bear? To which he replied: "Neither. I was a jackass."

Get the Best. Dr. Fowler's Extract of Wild Strawberry is the best, most prompt and safest cure for Cholera Morbus—Dysentery—Sick Stomach—Cramps—Cholic and Cholera Infantum that has ever been discovered. Its popularity is undimmed by age. All medicine dealers sell it.

"Are sisters Sally and Nancy resources, pa?" "No, my boy; why do you ask that question?" "Because I heard uncle Joe say that if you would only hand your resources, you would get along a great deal better than you do. That's all, pa."

There is no Evaporation or Deterioration in strength about Dr. Thomas' Electric Oil. The ingredients of this incomparable anti-rheumatic and throat and lung remedy are not volatile, but fixed, pure and imperishable. Pain, lameness and stiffness are relieved by it, and it may be used with equal benefit externally and internally.

Prof. Beaudin, M. D., Hall, P. Q., writes:—Dr. Thomas' Electric Oil commands a large and increasing sale, which richly merits. I have always found it exceedingly helpful; I use it in all cases of Rheumatism, as well as fractures and dislocations. I made use of it myself to calm the pains of a broken leg with dislocation of the foot, and in two days I was entirely relieved from pain."

Sea Sickness. The best remedy and preventative for Sea Sickness is Dr. Fowler's Extract of Wild Strawberry. It is also the best remedy for all forms of Summer Complaints, whether on sea or land it will not fail you. All Druggists sell it, 37 1/2 cents per bottle.

It is only a schoolboy who can enjoy bad health, and even he must have it bad enough to keep him out of school. "The Leaves shall be for the Healing of the Nations."

The leaf of the Wild Strawberry has verified that Scriptural prophecy. Dr. Fowler's Extract of Wild Strawberry is the marvel of healing in all varieties of Summer Complaints, and Flaxey, Cholera Morbus, Cholera Infantum, and every form of Bowel Complaints of children or adults promptly yields to its power of healing.

Europe seems unnecessarily agitated over trichinosis, but then she has had one Diet of Worms, and does not care to repeat the experience.

Disseased Lungs. From J. A. Abercrombie, of Brantford Ont. Gentlemen—I give the much pleasure to bear witness to a cure effected by Dr. Wistar's Balsam of Wild Cherry. My wife having been afflicted for a number of years with disseased lungs I was prompted to try Wistar's Balsam. I did so, and to my utmost satisfaction, for it effected a permanent cure in her for which I heartily recommend it to the public at large as a true and most reliable cure for diseases of the lungs. In conclusion I beg to ask you to accept my thanks, also my hearty wishes for your success with your valuable remedy, believing it to be the only medicine adapted to such cases. 50 cents and \$1 a bottle. Sold by dealers generally.

"Mary Jane, have you given the gold fish fresh water?" "No, ma'am, what's the use? They haven't drank up what's in there yet."

There never was, and never will be, a universal panacea, in one remedy, for all ills to which flesh is heir—the very best of many curatives being such that were the germs of other and differently seated diseases rooted in the system of the patient—what would relieve one ill, in turn would aggravate the other. We have, however, in Quinine Wine, which obtainable in a sound unadulterated state, a remedy for many and grievous ills. By its gradual and judicious use, the frailties of the system are led into convalescence and strength, by the influence of Quinine. It exerts on Nature's own restoratives. It relieves the drooping spirits of those with whom a chronic state of morbid despondency and lack of interest in life is a disease, and, by tranquillizing the nerves,

disposes to sound and refreshing sleep—imparts vigor to the action of the blood, which, being stimulated, courses throughout the veins, strengthening the healthy animal functions of the system, thereby making activity a necessary result, strengthening the frame, and giving life to the digestive organs, which, by the natural demand, increased substance—result, improved appetite. Northrop & Lyman, of Toronto, have given to the public their superior Quinine Wine at the usual rate, and, gaged the opinion of scientists, this wine approaches nearest perfection of any in the market. All druggists sell it.

Not only does this machine possess more valuable patented improvements than any other machine made, but in construction it is the simplest, in strength, and durability, combined with lightness, compactness, symmetry of design, convenience in handling and capacity for performing extraordinary ranges of work with ease and perfection, it has several advantages over all others, equipped as it is with both of the acknowledged perfect rakes now in use, either of which farmers can choose when purchasing.

Farmers, be not deceived by any statements made by agents anxious to sell you reapers of other makers. You now have the opportunity of purchasing the only perfect machine in the market, and do not let that opportunity slip from you. The Imperia is sold under full guarantee that it is just as we represent it. You run no risk in buying it. It will do all we say, and more too. Therefore send in your orders at once. This to every farmer is a matter of great importance.

Our agents will have sample machines at different points for inspection during the winter and spring months, where you can see them and leave your orders. You can send your orders to us direct. We will ship you a machine, and if it does not fulfil every representation we make concerning it, when you receive it, send it back and we will return your order. This is the way we do business. In dealing with custom, we would like to see you, and we want your money. When you buy the Imperia you not only have the best machine made, but you know it for the cheapest, for the best is always the cheapest.
