

**WITH EVERY ROLL of CONGO ROOFING**

**THIS GUARANTEE BOND FULLY PROTECTS YOU**

LOTS of manufacturers are keen to tell you what their goods are made of. They give you a beautiful word picture of a marvellous and mysterious "gum" that only they can produce. Others tell you of the real "rubber" that they use—and so on.

Regarding Congo Roofing, we have only two statements to make:

First—We believe it is the best ready roofing made.

Second—Because we believe that, we give a genuine Surety Bond with every roll, which guarantees three-plies Congo for 10 years.

These bonds are issued by the National Surety Company, and they are as good as a government bond.

No other roofing manufacturer dares give such a guarantee. You take no chances when you buy Congo.

There is no "gum" in it to make it sticky; there is no rubber in it to get brittle. It is made of the best roofing materials that it is possible for us to purchase under the best manufacturing conditions. Because it is made right, it gives such satisfactory service that we are not afraid to issue a Guarantee Bond to back up every statement we make.

Ask any other manufacturer for a Real Bond and see him squirm.

bility to our national life. Therefore, no other question concerns us more intimately than the question of homes. Permanent homes for ourselves, our children, and our nation—this is the central problem.

The man on the farm is valuable to the nation, like any other citizen, just in proportion to his intelligence, character, ability and patriotism, but unlike the other citizens, also in proportion to his attachment to the soil. That is the principal spring of his steadiness, his sanity, his simplicity and directness, and many of his other desirable qualities. He is the first of homemakers.

The nation that will lead the world will be a nation of homes. The object of the great conservation movement is just this, to make our country a permanent and prosperous home for ourselves and for our children's children, and it is a task that is worth the best thought and effort of any and all of us.

To achieve this or any other great result, straight thinking and strong action are necessary, and the straight thinking comes first. To make this country what we need to have it, we must think clearly and directly about our problems, and above all we must understand what the real problems are. The great things are few and simple, but they are too often hidden by false issues, and conventional, unreal thinking. The easiest way to hide a real issue always has been, and always will be, to replace it with a false one.

The first thing we need in this country is equality of opportunity for every citizen. No man should have less, and no man ought to ask for any more. Equality of opportunity is the real object of our laws and institutions.

Our institutions and our laws are not valuable in themselves. They are valuable only because they secure equality of opportunity for happiness and welfare of our citizens. An institution or a law is a means, not an end, a means to be used for the public good and to be interpreted for the public good. To follow blindly the letter of the law, or the form of an institution, without intelligent regard both for its spirit and for the public welfare, is very nearly as dangerous as to disregard the law altogether. What we need is the use of the law for the public good, and the construction of it for the public welfare.

It goes without saying that the law is supreme and must be obeyed. Our civilization rests on obedience to law. But the law is not a mere rule. It requires to be construed. Rigid construction of the law works, and must work, in the vast majority of cases, for the benefit of the men who can hire the best lawyers and who have the sources of influence in law-making at their command. Strict construction necessarily favors the great interests as against the people, and in the long run can not do otherwise. Wise execution of the law must consider what the law ought to accomplish for the general good. The great oppressive trusts exist because of subservient lawyers and adroit legal constructions. Here is the central stronghold of the money power in the everlasting conflict of the few to grab, and the many to keep or win the rights they were born with. Legal technicalities seldom help the people. The people, not the law, should have the benefit of every doubt.

We are coming to see that the simple things are the things to work for. More than that, we are coming to see that the plain American citizen is the man to work for. The imagination is staggered by the magnitude of the prize for which we work. If we succeed, there will exist upon this continent a sane, strong people, living through the centuries in a land subdued and controlled for the service of the people, its rightful masters, owned by the many and not by the few. If we fail, the great interests, increasing this control of our natural resources, will thereby control the country more and more, and the rights of the people will fade to the privileges of concentrated wealth.

## Suffered More Than Tongue Can Tell From Liver Trouble.

A lazy, slow or torpid liver is a terrible affliction, as its influence permeates the whole system, causing Biliousness, Heartburn, Water Brash, Langour, Costed Tongue, Sick Headache, Yellow Eyes, Sallow Complexion, etc. It holds back the bile, which is required to move the bowels, and lets it get into the blood instead, thus causing Constipation.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly upon the bowels, and will tone, renovate and purify the liver. Mrs. J. C. Westberg, Swan River, Man., writes:—"I suffered for years, more than tongue can tell, from liver trouble. I tried several kinds of medicine, but could get no relief until I got Milburn's Laxa-Liver Pills. I cannot praise them too highly for what they have done for me."

Milburn's Laxa-Liver Pills are 25c. per vial, or 5 for \$1.00, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

A little fellow came home from school the other day full of talk about a new rule against whispering. The teacher had devised some new punishment for the child caught doing it.

"I'll stump her to catch me!" he chuckled boastfully.

The mother reproved him gravely for the remark, saying that whoever breaks a rule is sure to be caught sooner or later, and deserves to be.

"Huh!" he answered, "how'll she catch me if I don't do it? I'd like to know. I ain't a-going to whisper, not once."

There was his assurance of safety. The one who simply resolves on honest faithfulness in every instance is secure.

## Children Had Eczema SUFFERED AGONY UNTOLD

Treatment prescribed had no effect—DR. CHASE'S OINTMENT made thorough cure.

Many a mother's heart has been torn by the sufferings of her little one who has fallen a victim of eczema. Only such mothers appreciate, to the full, the value of Dr. Chase's Ointment as a cure for this horrible ailment.

Mrs. Oscar Vancott, St. Antoine, Sask., writes:

"I have found Dr. Chase's Ointment to be a permanent cure of eczema and other skin diseases. One son, while nursing, broke out with running watery sores all over his head and around his ears. Many salves were prescribed to no effect. The child's head became a mass of scabs and he suffered agony untold. He became weak and frail and would not eat, and we thought we would lose him.

"Providentially we heard of Dr. Chase's Ointment and it soon thoroughly cured him. He is several years old now and strong and well. An older boy was also cured of eczema by this Ointment and we hope more people will learn about it so that their poor little ones may be saved from suffering."

Chafing and irritation of the skin from which nearly all babies suffer more or less, is a frequent source of eczema. There is no treatment as satisfying as Dr. Chase's Ointment. Poor-clothing, unsanitary powders are being discarded by all who have once learned the value of this great ointment in keeping baby's skin soft, smooth and healthy.

In scores of ways Dr. Chase's Ointment is useful in every home in the treatment of pimples, barber's itches, scalds and burns, poisoned skin, sores, feet and every form of itching skin disease. 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.
