FOR EASY GARDENING.

Five Hundred Thousand Users proclaim the Planet Jr. farm and garden tools unequalled for dependable service, and true economy of time, labor and money. The line includes Seeders, Wheel Hoes, Horse Hoes, Harrows, Riding Cultivators (one and two-row), Beet and Orchard Cultivators, etc.—45 tools in all. Planet Jr. Seeders are without a rival. They sow all garden seeds accurately, in either drills or hills; open furrows, drop and cover, roll and mark the next row, all at one operation. A regular stand of plants insured and no wasted seed. Planet Jr. No. 12 Double Wheel Hoe is a marvel of usefulness. It enables you to hoe every day two acres of onions or any similar crop and do it faster and better than three men with hand hoes. It kills all weeds and leaves the soil in splendid condition. Farmers as well as gardeners need our 1906 book, which fully illustrates the machines at work both at home and abroad. Mailed Free.

Tubular butter brings 25 to 35 cents. Cream is worth only one cent for stock food. Yet many farmers have no separator—only half skim their milk by setting—lose 24 cents on cream fed to stock—and wonder why dairying don't pay. **Tubulars stop this loss. Tubulars get the last drop of cream out of the milk—make big profits. Tubulars are the only modern separators. Notice the low can and enclosed gears. Write for catalog S 186**
