A Fire Company insuring all classes of Farm Property at the Lowest Possible Cost to the Assured. FARMERS! Here are Six Reasons why it will pay you to insure your Property in

THE WAWANESA MUTUAL INSURANCE COMPANY

- FIRST—Because it is owned and operated by the Farmers of the three Prairie Provinces for their mutual benefit and not to enrich stockholders of a company formed to accumulate wealth at the expense of the insurer.
- SECOND—The cost of insurance is not only very low, but you are not required to pay your premiums in advance unless you prefer doing so, and no interest is charged where premium notes are taken. The agent's fee is all that is required to be paid in cash.
- THIRD—The Company is thoroughly reliable, and its policies are better adapted to Farm Insurance than any others issued. The use of steam threshers permitted free of charge.
- FOURTH—The cost of adjustment of loss claims are paid by the Company and not by the insured.
- FIFTH—Insurance on Livestock covers them against loss by fire anywhere on the farm, and by lightning anywhere in Manitoba, Saskatchewan and Alberta.
- SIXTH—That this is the Largest Farmers' Mutual Fire Insurance Company in Canada and must therefore be giving the best satisfaction.

The Grain Growers' Guide, Winnipeg

TWO GOOD BOOKS

Home Pork Making

By A. W. FULTON

With the large number of hogs in the country and the low prices prevailing, a great deal of pork will be prepared for home use. The art of curing and preserving pork on the farm is not by any means generally known. Every person can kill a pig, but not every person can kill and dress a pig properly, and very few can cure and preserve the pork to retain the best flavor. This book is a complete guide for the slaughtering, curing, preserving and storing of pork, and instructions are given for the apparatus necessary for the slaughtering, scalding, dressing and cutting. Directions are given for making the best use of the offal, lard making, pickling, barreling, curing the hams and shoulders, dry salting the bacon and sides, directions are also given for smoking, the construction of smoke houses, meat houses for keeping hams and bacon, and last but not least, there are a large number of reliable recipes of cooking every part of the hog in every conceivable way. A study of this book will make pork making, easier and pork a more popular dish on the table. This book is bound in handsome red covers and is well illustrated. 55 cents postpaid.

Five Hundred Hog Questions

This book is a series of questions asked by farmers from all over the country and answered accurately and definitely. The questions deal with feeding, breeding, pasturing, diseases, comparison of different breeds and almost every other question that could be thought of in regard to raising hogs, and including a very large number of veterinary questions. The questions are classified under headings and the book is fully indexed, which makes it valuable for quick reference so that any information desired can be found in it instantly. It is bound in paper covers. 30 cents postpaid.
