Work is Easy

when the blood is pure. Pure blood makes the whole body right—sets its standing army of white blood-corpuses to work to clear out the poison—to energize the liver—make digestion easy—the brain clear—the muscles strong—the kidneys and bowels in good order.

The North Leeds Sunday School Association will meet in convention at Elgin on Wednesday next Sept. 12. Sessions will be held at 11.30 a.m. and at 2.00 and 7.30 p.m. An interesting programme has been arranged and it is hoped that there will be a large attendance of those interested in this important work. Mr. Theo. Yellowless Provincial Secretary, will be present and preside at the Round Table Conference.

The adjourned meeting of the property owners, in connection with the south ward drain, was held on Friday evening in the town hall, but even a smaller number attended than at the previous meeting. It was decided that the preliminary steps having been taken, the work should be left in the hands of the engineer to be carried out in accordance with the provisions of the act. In the meantime, an attempt is being made to obtain sufficient subscriptions from those interested to defray the cost of the work and obviate, if possible, the more expensive process provided for in the Ditches and Watercourses Act.

The students returning to the village schools this week find very pleasant quarters awaiting them. During the holidays the finishing touches have been put on the grounds of the A.M.S. and the janitor has everything shining within the rooms. Over at the high school necessary improvements have been made in a substantial and pleasing manner. New hardwood floors have been put in the hallway and three of the rooms, and the lecture room has been given a metal ceiling. Improvements have been effected in the cloak rooms, and altogether very creditable, permanent work has been done.

The Hot Weather Test Makes people better acquainted with the resources of strength and endurance. Many find that they are not so well off as they thought and that they are easily enervated and depressed by the heat.

What they need is the tonic effect of Hood's Sarsaparilla which strengthens the blood, promotes refreshing sleep, overcomes the tired feeling, creates appetite.

Scrofula is very often acquired, though generally inherited. Bad hygiene, foul air, impure water, are among its causes. It is called "the soil for tuberculosis" and where it is allowed to remain tuberculous or consumption is pretty sure to take root.

Hood's Sarsaparilla Removes every trace of scrofula. Get Hood's. For testimonials of remarkable cures and for Book on Scrofula, No. 1, C. I. Hood Co., Lowell, Mass.

The People's Column. Advt's of 6 lines and under in this column, 5c for first insertion and 10c each subsequent insertions.
