A Good Many Men have wondered why we dared put so much money into shoes of such costly quality as our \$5.00 Grade. They've asked us why, too. There's just one answer-**Chatham Men Demand It.**

We've found that there are plenty here who appreciate the goodness and stylishness, and most of all, the "differentness" there is in these shoes. So we pay a little extra for 'em, and make good by selling quite a lot more than the other stores do.

They're full of just what you want in shoes.
