Dr. Hendry Proposes an Intermediate Series for the Interprovincial Football League-Tigers Making Preparation for Saturday's Game Here.

Lexington, Ky., Oct. 10.—The thirtyfifth annual meeting of the Kentucky
Trofting Horsebreeders' Association was
opened here yesterday afternoon. The
Kentucky Futurity was the event of
the day, it being worth \$22,000 in two

The first day's division was for three year-olds and worth \$14,000. The second day's division is for two-year-olds and

After driving General Watts to victory, "Mike" Bowerman, his driver and trainer, was carried around the track in a floral horseshee. The heavy rains of Monday made the track three or four seconds.

AYRWATER AT 5 TO 1.

Windsor, Oct. 10.—A heavy, holding track, chilly weather and rather small attendance took the edge off the racing here yesterday, but some good sport was offered in the six events on the card. The victory of Letohatchee in the fourth race at the attractive odds of 12 to 1 was very popular, but in the subsequent events the talent were in exceeding wrong, the favorites falling by the wayside in each instance. A lot of money was burned up on J. W. O'Neill in the second event, the horse being particularly attractive with Delaby up. He tired in the last half of the journey, however, finishing in the ruck. Ayrwater at 5 to 1, won the last race. Murphy, the colored boy, rode three winners.

#### SATURDAY'S GAME.

## Was Here Last.

Reports from Montreal say that their football team is working night and day, getting ready for Saturday's game with the Tigers, for they realize that on it depends their chance of winning the championship of the Inter-Provincial League.
The local team is just as hard at practice, and now that Captain Ballard is
back again, the telling work is on. Every
man on the team knows that the game
on Saturday will be the hardest of the
season, and they are training accordingly. From a spectator's standpoint the
game will be a dandy to watch. These
two teams are the fastest in the game.

Tickets for Saturday's game were placed on sale at Stanley Mills' to-day. The members of the club are the only ones who can get them until to-morrow, when he sale will be thrown open to the general public. The admission, including a reserved seat, will be 75 cents, and an admission ticket only, with a seat in the bleacher, will cost 50 cents. This increase in price is necessary owing to the enormous expense this year. The long trips to Montreal and Ottawa will take a lot of, money, and the improvements being made at the cricket grounds, in the way of seating accommodation, will also be expensive.

It is also claimed that at the Toronto meeting last week, the Montreal representation told both the Argo and Hamilton delegates that it was the intention to play Russell, but no objection was offered.

DR. HENDRY'S EXPLANATION

Toronto, Oct. 10.-Dr. W. B. Hendry and H. C. Griffith, who officiated in the and H. C. Griffith, who officiated in the now famous Montreal-Argonaut game in Montreal last Saturday, are highly indignant at the statements made to the effect that they were responsible for the "leading astray" of the Argonaut team. They deny emphatically that they persuaded or attempted to influence the oarsmen to go on the field against the Montrealers. They say that all they did was to explain that in the eyes of the Inter-Provincial Union Ecole Russel was perfectly eligible, at the same time warning the Argonauts that they were liable for suspension by the C. A. A. U. for playing against him. Efforts were made in the morning to communicate with Inspector Stark and other members of the C. A. A. U. Executive, but they proved fruitless, and the players all went into the game with their eyes open.

The Argonaut Rowing Club has deep the standard of the control of ARGOS WAIT ON C. A. A. U.

Tornoto, Oct. 10.—Vesterday an Argomaut delegation, consisting of Messrs. T. P. Galt. J. Wright, Kobert McKay, and Hugh Hoyles, waited on President Stark, of the C. A. A. U., to present the case of their Rugby football team in the Montreal muddle. They stated their case, which hing on the statement that the players had been misled by Referees Dr. Hendry and Mr. Griffiths, who had told them that they would incur no danger of being penaitzed for playing against Russell under protest. The uelegation set forth that these young fellows were blinded by this statement of older football heads, who had been connected with the game officially for years.

Mr. Galt, the spokesman, stated that it would be too bad to throw the Argos out under the circumstances. The players were young and inexperienced, and retrieval to the state of the st

The Argonaut Rowing Club has decided that if the Rugby team are not reinstated by the C. A. A. U. that it will not allow them to play under the name

## Detroit Defeated By Score of Three to 1.

Chicago, Oct. 10.—The Chicago National League team defeated the Detroit American League team in the second game of the series for the world's championship yesterday afternoon. The scores was 3 to 1.
